

Electric Vehicle Charging Safety

Stay safe while charging your electric vehicle

Visually inspect the charging cable before use. Never use a damaged charger

Follow the manufacturer's instructions on how to charge

Never use an extension cord or multiplug adapter when charging electric vehicles

Only use manufacturer provided or approved charging cables. Never use an adapter to change charging types

Never alter or modify your electric vehicle or its battery

Properly store chargers when not in use to prevent damage

Cover chargers to manufacturer's specifications to avoid water damage

Ensure you have proper GFCI protection to protect against electric shocks

Be aware of your surroundings. Do not accidentally come in contact with chargers when driving or parking

Make sure your charging equipment has been certified by a Nationally Recognized Testing Laboratory

All electric vehicle chargers should be installed by a qualified electrician
