**Events Management** Glenn Bowdin, Johnny Allen, Rob Harris, Ian McDonnell, William O'Toole, 2012-05-23 Events Management is the must have introductory text providing a complete A-Z of the principles and practices of planning, managing and staging events. The book introduces the concepts of event planning and management, presents the study of events management within an academic environment, discusses the key components for staging an event, covering the whole process from creation to evaluation, examines the events industry within its broader business context, covering impacts and event tourism, provides an effective guide for producers of events, contains learning objectives and review questions to consolidate learning. Each chapter features a real life case study to illustrate key concepts and place theory in a practical context, as well as preparing students to tackle any challenges they may face in managing events. Examples include the Beijing Olympic Games, Google Zeitgeist Conference, International Confex, Edinburgh International Festival, Ideal Home Show and Glastonbury Festival. Carefully constructed to maximise learning, the text provides the reader with a systematic guide to organizing successful events, examining areas such as staging, logistics, marketing, human resource management, control and budgeting, risk management, impacts, evaluation and reporting. Fully revised and updated content, including new chapters on sustainable development and events perspectives on events, and expanded content on marketing, legal issues, risk and health and safety management. **Worldwide Tango Milonguero Travel Guide** Michael Komm, 2023-12-18. You are ready, ready for tango. Anyone can dance. Who doesn't dream of going on a journey and enjoying beautiful music which touches all of us. In togetherness in an embrace in a dance I want to share this joy. My tango. It is not a fairy tale that brings us these feelings for tango music. It is a passion, a passion so beautiful to watch and to feel. A feeling like coming home. A welcoming home, a warm embrace and a beautiful moment for 10 minutes or longer depending on the length of the songs. It all happens with a leading man and a reacting following woman or with dance partners of the same sex. You think it's a dream and it won't work. Be open and travel with me. In this book Tango for everyone traveling around the world. The author Michael Komm gets to know areas of his life, his experiences and his encounters with people. You will see his passion for TANGO with everything that is there in all facets and nuances of his life. There are friends, family, love, passion, professional passion, giving, enrichment, sexuality, sensuality, scent, feeling and this in such a way that it reaches the heart. To share this with husband and wife or life partner is the art of accepting, understanding and practicing it. Living dance, living love, MY TANGO. In his book Michael Komm tells us about his point of view, his travels where it has taken him in over 80 places on our planet with different worlds. We will read and understand what it is all about. He leaves us free to follow him and to travel. So it will be a journey around the world for us with tango. Even for non-dancers this book offers valuable insider tips to make traveling and LIFE easier. Let's celebrate, rejoice, travel without fear and embrace the party.
