

The background of the book cover features a dynamic, abstract design of glowing particles and light rays. The particles are small, circular, and emit a soft glow in shades of white, pink, and blue. These particles are scattered across the dark, textured background, with some appearing to move in a downward or diagonal direction. Interspersed among the particles are several bright, streaking light rays that create a sense of motion and depth. The overall effect is reminiscent of a starry sky or a microscopic view of a complex system.
