## **Successful Marriages And Families:**

Successful Marriages and Families Alan J. Hawkins, David Curtis Dollahite, Thomas W. Draper, 2013-09-06     Happy Marriages and Strong Families Kelley Brigman, Purple's Edge Media, 2012 A simple easy to read discussion by a social scientist about how core religious elements such as faith and hope love and grace parenthood of God and forgiveness and reconciliation can help people create happy marriages and strong families This book inspires hope that people can create successful marriages and shows them how to do it It contains many stories simple illustrations and activities Useful for preparing for marriage marital growth or solving marital problems It can help people make the small changes that can make a big difference in marital success     Marriages and Families Constance L. Shehan, 2003 A realistic fact based survey of marriage intimacy and family life that offers many insights and addresses many misconceptions about modern families in all their variety     *Intimate Relationships, Marriages, and Families* F. Philip Rice, 1999 A introductory text describing changes in intimate relationships over the life span with sections on social and psychological perspectives the nature of intimate relationships marriage and family relationships the family as a unit and conflict in marriage Discussions photos emphasize diversity     **Intimate Relationships, Marriages and Families, Instructor's Manual** F. Philip Rice, 1992-10

**Marriages and Families** Karen Seccombe, Rebecca L. Warner, 2004 In this fresh more structural alternative to other texts for the marriage and family course Seccombe and Warner provide a comprehensive look at close relationships and the family in just 15 chapters Examining close relationships and families by placing them in social context the authors offer a unique emphasis on the structural and relational aspects of the family with a focus on family resilience The text weaves together a macro view social structural analysis of close relationships with the macro an individualist view The authors demonstrate the interaction of theory and methodology in family studies in Chapter 2 and blend cutting edge research and practical applications throughout Among the highlights of this first edition are the exceptionally thorough exploration of the topics of singlehood and cohabitation in Chapter 7 and the unique six chapter core 8 13 that focuses on all aspects of parenthood and the challenges and crises that families face today The authors emphasis on family resilience and how families can be strengthened is reflected in the Constructing Strong Families boxes that appear throughout the text These features encourage students to apply groundbreaking research on what makes a family strong to their own families and in the concluding chapter Looking Ahead Helping Families Flourish which examines the factors that successful families regardless of ethnicity culture or social class consistently exhibit     Marriages and Families Nijole Vaicaitis Benokraitis, 1996 This textbook introduces students to the study of marriage and the family in ways to which they can easily relate Giving equal attention to people of all racial ethnic and other societal groups the author shows students that as families continue to change they have more and more choices but that those choices are also subject to often serious constraints on both the macro and micro level The author's approach encourages students to think for themselves and practical guidelines in every

chapter encourage them to go beyond thought to action to become part of the effort to resolve some of the crucial issues that confront all 21st century families If It'S Broken, Fix It Larry A. McMillan,2012-05-31 If Its Broken Fix It his third book represents another step in his quest to build stronger marriages and families for a stronger community Th e book seeks to take couples on a journey that motivates inspires and challenges them to take a faith walk through a valley that leads to a successful and joyful marriage He explains to couples the limitations that they may experience and the obstacles they may have already conquered Th is book will allow broken marriages to be transformed into fruitful marriages Marriages that have been experiencing mediocrity will be resurrected to the glory of God Rev McMillan demonstrates his teaching skills that he learned in the educational arena over the course of thirty nine years during his training sessions He removes and destroys all hurdles as he teaches strategies that help couples discover the sparks and heights in their marriage **Marriages and**
