the mortal realm He's never been a saint a bounty hunter always holds a darker side But his clock is now ticking and if he doesn't learn empathy soon the next place he will land is directly in Hell Ashley has never considered her gift special She walks a razor's edge of sanity and falls deeper into despair every time her visions show her another death Desperate to escape reality she runs to her remote cabin in Alaska If she can't look a person in the eyes she won't watch them die Hope is something she's never known until she meets the intense blue gaze of a stranger Veiled In Darkness Her name is Death She is the only one who can save them all Death is not a nickname Ashley wants but it is who she has become Her mating with Eli brought about her change and no one expected the Angel of Death Now she is the only one who can stop Lucifer and his evil plan There is just one small thing she must embrace who she is and doing so may darken her forever Eli lives his days in a haze His mate is gone and last he saw her was across a bloody battlefield where he stole a tender kiss Powerless is an emotion that leaves him raw but he knows killing Lucifer will only endanger Ashley further He must trust his mate to unveil her true self and sever Lucifer's hold Bound By Darkness He took her mother's life Now she wants his An angel warrior is never supposed to disobey a command but that is exactly what Lyzander did Twenty years ago he spared a little girl's life while his brethren murdered her family Now he finds himself a captive in the worst place an angel can be The pits of Hell No one is coming to save him until a mysterious female shows up wanting to make a deal Kelana hid under the bed while her mother and grandmother were murdered Left an orphan the half human half succubus had to learn how to wield a blade fast or die in Hell Now grown she seeks the archangel who was responsible for her family's death so she can cut out his beating heart But her journey for revenge puts her back on her father's radar and he still wants her dead Unleash The Darkness He is everything dark in the world She is his light but when she goes missing He will make even the most evil beg for mercy Being a reaper means Sephtis is bound to both Heaven and Hell When he is called upon to escort the damned he unleashes a power even demons fear It's only his mate Evangeline that keeps him from embracing his darkness and he will do anything to keep her safe The day Evangeline mated Sephtis she became a guardian angel It has been a life filled with everything good in the world until she makes a vow to a dying woman Disobeying her mate she tries to fulfill her promise but finds herself pulled into a hell of her own Surrender To Darkness He is a fallen She thinks him beneath her Sometimes it's the bad boy who saves you Cade is a fallen angel who endeavors to follow the right path That is until the angels ruling body decide the warrior is the perfect match to carry out their new assignment Schooling the young snobbish Abigail in the art of demon fighting is a challenge he could do without The female tests him at every turn yet tempts him to show just how bad he can really be When Abigail is summoned by the Tribunal she is beyond eager to finally take her place among the angels With her eye on an elite warrior for her mate she is determined to make him hers But when the nephilim is thrust into a mission with a fallen angel she is mortified Cade is everything dark and bad but she quickly learns the line between good and evil is very misleading Tempted By Darkness His last mission left him broken Now his past has come back to haunt him Tegan is an elite archangel

so commanding armies and ordering deaths is everyday business to him When he's handed a mission to gather intel on an emerging species he finds his beautiful young partner a challenge he's not sure he can handle She stirs desires he has avoided for decades and it forces him to confront a past he thought he had left behind Rhea has lived her entire life watching the mortal realm through a looking glass It entices her and when she is offered a mission to go there the innocent angel jumps at the chance There's just one catch Higher powers want Tegan's son and it's her job to seduce the archangel
