## **Manual**

Sufi Reiki was created by Reiki Sufi Master Sami Pajunen in Finland at the end of 1999. Reiki Sufi was introduced to Indonesia by Mr. Fajar Isbandi with the help of the first few Reiki Sufi Masters including Rudi, Eko Yuwono, Edys Susanto , Hikam, Rachmat Hanafi, Adi Setiawan, Andry , and others.

Sufi Reiki is a Reiki that accesses Sufistic energy by the moment method. This energy may be different from the reiki Usui energy but as far as I'm concerned the difference is something that is felt individually and it is not for me to describe the differences. The aim of the energy however is to enable the practitioner of Sufi Reiki to become a spiritually enlightened person who is also able to do healing for him/herself as well as for others.

Sufi Reiki has 3 levels followed by the band attunements. The Usui Reiki symbols may be used after the second attunements , however many Sufi Reiki Masters do not use any symbols. It is hoped that when the Sufi Reiki practitioner has completed the 3 levels of attunement that all the chakras are well expanded and the energy fields are clean and there are no blocks .The ego should be less and is replaced by a heightened

**In the Paradise of Reiki and Sufi Healing** Abdul Ghani,2010-11 In this book Dr Abdul Ghani has made a comparative study of Reiki Sufi healing on the premise that Reiki being a legacy of the Prophets is compatible with all the religions and spiritual systems of the world It has also been observed that with regard to Reiki Islam there is a bi pronged fear 1 Since Reiki is practiced promulgated mostly by the Buddhists Christians Jews also by atheists there is a fear among the orthodox Muslims that it might be a heresy to practice Reiki 2 On the other hand there is an outbreak of Islamophobia throughout the world due to an anti Islamic propaganda launched by some extremists Peoples living in the areas where Islam has not been properly introduced seem to have developed a feeling that it is only a might is right type of religion with no proper spiritual discipline The author has kept both these aspects in his mind and by adopting an unbiased purely academic approach he has successfully elucidated that both of these fears are baseless This book is likely to be a new dawn in the world of spiritual healing and an unprecedented gift to mankind from the blissful world of the Sufi

*Lived Religion* Meredith B McGuire,2008-08-22 How can we grasp the complex religious lives of individuals such as Peter an ordained Protestant minister who has little attachment to any church but centers his highly committed religious practice on peace and justice activism Or Hannah a devout Jew whose rich spiritual life revolves around her women s spirituality group and the daily practice of meditative dance Or Laura who identifies as Catholic but rarely attends Mass and engages daily in Buddhist style meditation at her home altar arranged with symbols of Mexican American popular religion Diverse

religious practices such as these have long baffled scholars whose research often starts with the assumption that individuals commit or refuse to commit to an entire institutionally framed package of beliefs and practices Meredith McGuire points the way forward toward a new way of understanding religion She argues that scholars must study religion not as it is defined by religious organizations but as it is actually lived in people s everyday lives Drawing on her own extensive fieldwork as well as recent work by others McGuire explores the many seemingly mundane ways that individuals practice their religions and develop their spiritual lives By examining the many eclectic and creative practices of body mind emotion and spirit that have been invisible to researchers she offers a fuller and more nuanced understanding of contemporary religion **Reiki**

**Reiki: Universal Gift of God's Healing Love Level I and II Training Manual** Eileen Curteis, 2011 After seventeen years as a practitioner and teacher of Reiki Sister Eileen has been astonished by the sheer number of people who have continued to stream through the door People of all ages and traditions have come seeking their healing and finding it as Eileen did when she first embarked on this foreign road that soon became home to her Eileen has come to recognize through her many years of practice that there is an inherent healing power within each of us and that the gift of Reiki is able to activate it In her training manual Eileen brings with her a core community of Reiki practitioners from different traditions and backgrounds that journey alongside her and recognize as she does the simplicity wonder and beauty of God's universal gift for our time The healing stories are too numerous to count but she does include specific testimonials within her training manual that speak for the thousands of others who have been healed through the doorway of Reiki In this way Eileen's Level I and II training manual becomes a living testimony as she thoroughly covers all the information required to be a successful and competent Reiki practitioner Written with inspiration and clarity Eileen takes the reader on an amazing journey into the dynamic world of the inner self Like a fresh current of air she presents her material in an appealing and easily digestible manner The uniqueness of Eileen's Reiki training manual lies in her ability to weave the Christ conscious healing dimension into it just as an alchemist would when producing gold In this way Eileen shows how the revered eastern practice of Reiki discovered by Dr Mikao Usui a Japanese Buddhist in the early 20th century can blend perfectly with a Christian heritage of healing where the one enhances the other At the same time she shows how this simple profound method of healing transcends cultural and religious boundaries in a way that makes this universal gift of Life Force Energy accessible to anyone Often people who encounter Reiki for the first time experience an inner bliss and harmony which leads them to explore the gift more fully Others go away from the treatment or training feeling restored refreshed and renewed Reiki the universal Life Force Energy of God is not a new invention or modern day fad Its roots are planted deep in ancient history In the Old Testament Life Force Energy was spoken about eloquently and has been pulsating through the whole of creation from the beginning of time Even science and the world of medicine are looking at this complementary form of healing called Reiki with fresh new eyes Its worldwide impact can no longer go unnoticed
