**Dental Care** Autumn Libal,2014-09-02 Did you know that poor dental hygiene can increase your risk of heart attack and stroke Or that the incidence of cavities and tooth decay increases in the teenage years Did you know that countries with a higher standard of living like the United States Canada and England actually have higher rates of tooth loss and decay than countries with a lower standard of living Or that dental drills existed for thousands of years before people even had electricity Dental hygiene is extremely important to both your physical and emotional health Your teeth are an integral part of many important activities such as eating speaking and smiling From the Mayan practice of inlaying semi precious stones into teeth to today s practices of braces and high tech dental care this book covers a wide range of dental topics It will tell

you how dental care has developed throughout the ages and will introduce you to some of today's most cutting edge technologies. Most important it will guide you through everything you need to know about caring for your teeth and maintaining a beautiful smile today and into the future. **Dental Health & Treatment** Howard B. Marshall, 2009-09-24

The very first step you can take to prevent disease is to learn what causes it. Learn what mouth bacteria can really do. Realize that even though dental disease is occurring at a microscopic level much of it can be prevented by taking only a few minutes a day to hit the agents of disease where it will hurt them. You must learn how diet influences breakdown and what foods are most destructive. I am going to try to cover everything you've wanted to know about your mouth your smile bad breath cavities gum disease children's dentistry tooth movement restorations replacements and more. If you are a younger or middle aged person with all or most of your teeth and take the time to learn what is in this book you may save between 15 000 and 50 000 in the course of your lifetime. If you are a senior this book will help you make the best choices for your needed dental care. Let's start on this self help adventure now. I truly want to help you prevent disease eliminate bad breath and enjoy your smile and your chewing comfort. Howard Marshall D.D.S.

**Mouth Care Comes Clean** Ellie Phillips DDS, 2018-12-04

Enjoy the Mouth Health You Deserve. Dr Ellie challenges the traditional dental mantra that tells us to brush and floss because she believes it is dangerous advice and ineffective in light of our understanding that cavities and gum disease are bacterial infections. Oral health depends on the development of a bacterial balance in the mouth and this cannot be achieved with a length of floss by over zealous cleaning or indiscriminate killing of mouth bacteria. Our mouth ecology develops early in life as bacteria transfer between parents and their babies. This exchange is important and continues throughout life as family and friends kiss talk or simply share food. Today we know that harmful mouth bacteria can impact our general health and that some are implicated in chronic inflammatory conditions. A healthy mouth will give you a brighter smile and provide special protection from cavities gum disease bad breath sensitivity and enamel erosion to ultimately limit your need for dental treatments including cleanings fillings sealants root canals crowns implants and extractions. In this groundbreaking book Dr Ellie shares her easy to follow strategies that put oral health under your control. She reveals how to Stop and reverse cavities and gum disease. Use diet and digestive health to influence saliva quality and promote tooth and gum healing. Enjoy xylitol to control acidic damage and sensitivity. End the discomfort of dry mouth and gum recession. Avoid damage caused by flossing. Evaluate sealants and their potential dangers. Learn the dangers of artificial whitening and how to naturally whiten your teeth. Mouth Care Comes Clean can empower you and lead you to a new level of oral health. The strategies are simple but they can miraculously transform mouth health. **Growing Up Cavity Free** Stephen J. Moss, 1993

The best ways to handle teething effective brushing techniques when and how to decide about braces for adolescents and dealing with wisdom teeth.
