Modlin, MD, MBA,2021-08-17 As a renowned kidney transplant surgeon and one of a small number of African Americans to hold such a title Dr Charles Modlin has overcome enormous odds roadblocks and trials In his book It Isn t Difficult to Do It if You Know How to Do It he provides an extensive compilation of the successful strategies used to overcome challenges and accomplish his goals in hopes of encouraging high school students and college students whose ambition is to succeed in life From life in high school through applying and succeeding in college through the beginnings of one s professional years It Isn t Difficult to Do It if You Know How to Do It not only outlines the proven tactics to embrace but also offers navigation around many of the pitfalls that entrap youth and prevent success in college and graduation This resource is written specifically for ambitious high school students and college students who are aiming to achieve no matter their goals This book details for the reader the most important guidelines for youth to consider when transitioning from high school to college and beyond that Dr Modlin has learned from his childhood through medical school and eventually his profession as a kidney transplant surgeon **The Rule of Nobody** Philip K. Howard,2014-04-07 The secret to good government is a question no one in Washington is asking What s the right thing to do What s wrong in Washington is deeper than you think Yes there s gridlock polarization and self dealing But hidden underneath is something bigger and more destructive It s a broken governing system From that comes wasteful government rising debt failing schools expensive health care and economic hardship Rules have replaced leadership in America Bureaucracy regulation and outmoded law tie our hands and confine policy choices Nobody asks What s the right thing to do here Instead they wonder What does the rule book say There s a fatal flaw in America s governing system trying to decree correctness through rigid laws will never work Public paralysis is the inevitable result of the steady accretion of detailed rules America is now run by dead people by political leaders from the past who enacted mandatory programs that churn ahead regardless of waste irrelevance or new priorities

America needs to radically simplify its operating system and give people officials and citizens alike the freedom to be practical Rules can't accomplish our goals Only humans can get things done In *The Rule of Nobody* Philip K Howard argues for a return to the framers vision of public law setting goals and boundaries not dictating daily choices This incendiary book explains how America went wrong and offers a guide for how to liberate human ingenuity to meet the challenges of this century
