Ownership is the bestselling book by former Navy SEALs Jocko Willnik and Leif Babin who take the lessons they learned
from one of the toughest military campaigns of U S history and apply them to the world of business They believe that their
experience in Ramadi Iraq battling extreme insurgents in incredibly hostile conditions gave them an understanding of
leadership that can help businesses thrive Their main principle is a notion of extreme ownership which means taking
responsibility for everything that happens and never placing the blame on anyone else With that fundamental principle they
