Summer Wine And Other Stories My Autobiography:

Summer Wine and Other Stories Peter Sallis, John Miller, 2014-01-20 Public performances **Summer Wine & Other Stories** Peter Sallis, 2014 The Passing of the Flagship and Other Stories William Price Drury, 1902 **Mrs. Caudle's Curtain Lectures and Other Stories and Essays** Douglas Jerrold, 1907 My Face for the World to See Alfred Hayes, 2013-07-23 Alfred Hayes is one of the secret masters of the twentieth century novel a journalist and scriptwriter and poet who possessed an immaculate ear and who wrote with razorsharp intelligence about passion and its payback *My Face for the World to See* is set in Hollywood where the tonic for anonymity is fame and you're only as real as your image At a party the narrator a screenwriter rescues a young woman who staggers with drunken determination into the Pacific He is living far from his wife in New York and long ago shed any illusions about the value of his work He just wants to be left alone And yet without really meaning to he gets involved with the young woman who has it seems no illusions about love especially with married men She's a survivor even if her beauty is a little battered from years of not quite making it in the pictures She's just like him he thinks and as their casual relationship takes on an increasingly troubled and destructive intensity it seems that might just be true only not in the way he supposes *The Whole Story* John E. Simkin, 1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences **In Love** Alfred Hayes, 2013-07-23 This heart stoppingly good masterpiece about a crumbling love affair in 1950s New York perfectly captures the desperate desire for love and the recognition that it is slipping away Slate One of the greatest bleakest breakup stories ever told The New York Observer New York in the 1950s A man on a barstool is telling a story about a woman he met in a bar early married and soon divorced her child farmed out to her parents good looking if a little past her prime They'd gone out they'd grown close but as far as he was concerned it didn't add up to much He was a busy man Then one day out dancing she runs into a rich awkward lovelorn businessman He'll pay for her to be his pay her a lot And now the narrator discovers that he is as much in love with her as she is with him perhaps more though it will take him a while to realize just how utterly lost he is Executed with the cool smoky brilliance of a classic Miles Davis track *In Love* is an unequaled exploration of the tethered and untethered heart **Catalogue of Prose Fiction in the Central Lending Library** Leeds (England). Public Libraries, Art Gallery and Museum, 1907 Prose fiction Leeds Public Libraries, 1907 The Mountain Lion Jean Stafford, 2010-08-10 Eight year old Molly and her ten year old brother Ralph are inseparable in league with each other against the stodgy and stupid routines of school and daily life against their prim mother and prissy older sisters against the world of authority and perhaps the world itself One summer they are sent from the genteel Los Angeles suburb that is their home to backcountry Colorado where their uncle Claude has a ranch There the children encounter an enchanting new world savage direct beautiful untamed to which over the next few years they will return regularly enjoying a delicious double life And yet at the same time this other sphere about which they are both so passionate threatens to come between their

passionate attachment to each other Molly dreams of growing up to be a writer yet clings ever more fiercely to the special world of childhood Ralph for his part feels the growing challenge and appeal of impending manhood Youth and innocence are hurtling toward a devastating end

The Glory of the Empire Jean D'Ormesson, 2016-05-03 The Glory of the Empire is the rich and absorbing history of an extraordinary empire at one point a rival to Rome Rulers such as Basil the Great of Onessa who founded the Empire but whose treacherous ways made him a byword for infamy and the romantic Alexis the bastard who dallied in the fleshpots of Egypt studied Taoism and Buddhism returned to save the Empire from civil war and then retired to learn to die come alive in The Glory of the Empire along with generals politicians prophets scoundrels and others Jean d Ormesson also goes into the daily life of the Empire its popular customs and its contribution to the arts and the sciences which as he demonstrates exercised an influence on the world as a whole from the East to the West and whose repercussions are still felt today But it is all fiction a thought experiment worthy of Jorge Luis Borges and in the end The Glory of the Empire emerges as a great shimmering mirage filling us with wonder even as it makes us wonder at the fugitive nature of power and the meaning of history itself

Ending Up Kingsley Amis, 2015-04-28 A group of disgruntled septuagenarians prepare for their final days in this dark and very funny English novel about death and the inevitability of growing old The Observer Everyone wants a comfortable place to die and Kingsley Amis s characters have found it in Tuppenny happeny Cottage where assorted septuagenarians have come together to see one another out the door of life There s grotesque Adela whose sole passion is her cheapness her brother Brigadier Bernard Bastable always strategizing a new retreat to the bathroom before sallying forth to play some especially nasty practical joke Shorty the servant who years ago had a fling with the brigadier in the barracks and now organizes his day around a trail of hidden bottles George Zeyer the distinguished professor of history bedridden and helpless to articulate his still coherent

thoughts and Marigold who slowly but surely is forgetting it all And now it is Christmas Children and grandchildren are coming to visit their ailing elders They don't know what lies in store before the story ends None of us do Ending Up is a grimly hilarious dance of death full of bickering bitching backstabbing drinking of course and idiocy of all sorts It is a book about dying people and about a dying England clinging to its memories of greatness as it succumbs to terminal decay AB
