### **Summer With My Sisters:**

*Summer with My Sisters* Holly Chamberlin, 2015-06-30 Bestselling author Holly Chamberlin's heartfelt novel set in a beautiful Maine beach town tells of three sisters and one summer filled with revelations. When Poppy Higgins left Yorktide Maine for Boston she pictured future visits home as brief diversions from her real life in the big city. Fate had different ideas and at twenty five Poppy has been called back to care for her two younger sisters following their father's death. Sixteen year old Daisy resents Poppy's long absence and chafes under her sometimes fumbling efforts to be a parent. Violet, now thirteen, is a virtual stranger to her oldest sister. Once a happy united family the Higginses seem adrift and Poppy longs to escape her responsibilities. But when Daisy befriends Evie, an enigmatic newcomer to Yorktide, the young woman will be an unlikely catalyst in the sisters' journey back to each other. For as Poppy discovers the deep loss in Evie's life she awakens to the truth about her own and about the town and the people she's tried to leave behind. Filled with the candid warmth of real sisterhood, *Summer with My Sisters* explores the many forms a family can take and the unspoken ties that endure season after season.

**Summer With My Sister** Lucy Diamond, 2012-06-07 *Summer With My Sister* is a captivating tale of family secrets and hidden rivalries by bestselling author Lucy Diamond. Polly has always been the high flyer of the family with the glamorous city lifestyle to match. Clare is a single mum with two children struggling to make ends meet in a ramshackle cottage. **Predator Within** Ophelia Lucas,2006-11-20 This book the Predator Within reflects many people who have experienced the similar abuse Growing up in today's society is a real challenge for any child as well as an adult My life is based on my own personal struggles within The obstacle sometimes is not what you try to avoid but what you try to forget We all have something that we are ashamed of or want to forget but our minds are a light to our soul and a hard drive of information that no matter how hard we try to delete the information the shame or fear is still in memory This book is a light of my soul and a memory of my hard drive to move forward This is about my life's journey to continue to pursue my destiny even when the odds are stacked against you My life is only a testimony to all not to give up on their dreams even if life takes an ugly turn never give up on your destiny to be all that God wants you to be I have learned to be an overcomer instead of the victim For every book purchase a part of it proceeds will be donated to develop awareness and encourage others who have lost their way Thank you for all of your supports

*The Fallacy of Assignable Gender* Transcendent Publications,2007-09-05 Humans often encounter expectations that they behave differently from the people they are Many left handed people have trod lightly on this path When internalized such conflicts can be profoundly disconcerting and must be resolved Each transgendered person contending with her or his suppressed gender identity exists in a continual state of such conflict That person is and is not the child adolescent and adult she or he has learned to be Experience and reflection will ultimately prove that essential identity is far different from education and endeavor Even inevitably recurring brief secret

episodes of release merely reconfirm the transgendered persons implacable obsession rather than providing respites from it Such a conflict will not because it cannot resolve itself The focus of The Fallacy of Assignable Gender is gender identity conflict The work begins with an intimately personal account of a forty year struggle with that conflict The condition is examined from the perspectives of medical science religion political theory the arts and others Perhaps as compelling as the nature of the condition is society's reaction to it Fifteen common mischaracterizations share an apparent determination by those who proffer them to ignore or reject what has been learned at great cost Each straw man is explored and refuted A four step plan is presented whose goal is elimination of gender identity suppression Whether the reader's interest is personal or professional ending the social and economic scourge of suppressed gender identity will require a broad concerted effort Its undertaking is long overdue *Out of the Shuffle* Sabrina Irene Found, 2014-10-03 I wrote this book to try to help someone who has gone or is going through a similar situation You have to get help It will work out It may be hard at times but the pain is worth the outcome I have been sober for fourteen years I'm making many breakthroughs I must take things one day at a time *Family, Fear and Torment* Karla Serenity, 2014-11-08 I wrote this book to give a voice to every adult that has an abused child inside of them and as a child they never got a chance to tell their story or they did and still no one cared Psalm 27:10 Although my father and my Mother have forsaken me yet the Lord will take me up and adopt me as His child
