Griffin,2015-04-16 Sometimes the best things in life come from the unexpected So if you lower your expectations then you ll never be disappointed Sound cheesy It is but it s also true Clich s come from a grain of truth like a man with a Porsche is compensating for something or once a cheater always a cheater you get the idea Sorry I digress I m supposed to be telling you what this book is about I m Megan Walker a lawyer at one of the hottest boutique law firms in Atlanta I m on the fast track to making partner and have my entire life planned out or I did We all know how that goes right Best laid plans and all that Life just threw me a couple curveballs so I ve set out to take things into my own hands By throwing caution to the wind and getting out of my A type personality bubble I m learning more about myself than I have in my twenty seven years Sound like a chick flick doesn t it It s not **52 Weeks of Cookies** Maggie McCreath,2016-03-08 The recipes and techniques that one mother used to turn a year of her son s military service in Iraq into a year of care packages brimming with cookies Single mother Maggie McCreath couldn t decide which was worse the fact that her only son not yet twenty one was off to war in Iraq for the second time or the fact that they had only five days to prepare Even more frightening she knew that he would be

part of the Surge and as a paratrooper in the 82nd Division of the Army the tip of the Spear What she did not know what she couldn't even bear to consider was how this deployment would end both for her son and for his brothers in arms whom she had come to know and love as her own So she turned to the one pastime that had always brought her solace baking Filled with delicious original cookie recipes 52 Weeks of Cookies recounts a mom's unique methods of coping during her son's deployment With plenty of sugar cookies but no sugarcoating 52 Weeks of Cookies is an honest uplifting story of family love during a crisis with all the fear grief laughter gratitude and joy that come with it When her 20 year old son was deployed to Iraq with just a few days notice Maggie McCreath desperately searched for her own mission to cope with the worry She found it with the help of flour sugar vanilla and lots of love Today The Clouds Beneath the Sun Mackenzie Ford,2012-03-06 Kenya 1961 When Natalie Nelson's plane lands at a remote airstrip in the Serengeti she knows she's run just about as far as she can from home Trained as an archeologist she accepted an invitation to join a famous excavating team in order to escape England and the painful memories of her past But before she can get her bearings the dig is surrounded by controversy involving the local Maasai people and Natalie is swept up in a passionate affair that threatens to spark even more violence and turmoil The startling beauty of Africa the tension of looming social upheaval and the dizzying highs of a doomed love affair are all captured brilliantly in this extraordinary and utterly unforgettable novel **During Wind and Rain** Margaret Jones Bolsterli,2008-04-01 During Wind and Rain moves from the land's acquisition in 1848 through the Civil War and Reconstruction the 1927 Flood the Great Depression and the drought of 1930 to the modern considerations of mechanization fertilizer pesticides and irrigation The transformation of dense swamp and forest to today's commercial agriculture is the story of two hundred acres worked by people sowing their fate with sweat ingenuity and luck Jacket *Sunshine and Whiskey* Allie Kay,2018-08-30 Life in a small town isn't always the idyllic fairy tale it's rumored to be particularly for Sean Turner who grew up on the wrong side of the tracks Bartenders with a past like his just didn't date the daughter of one of Garden Falls most influential families Talia Richmond is forbidden fruit even if the shadows in her eyes make him want to go to battle just to protect her No one thinks Sean is good enough for her but Talia sees through the tragic history Sean uses to keep people at a distance The older man's heart is as guarded as his liquor storage but she finally finds a chink in his armor and what begins as a friendship grows to be something so much more Beneath the tattoos and scars she finds a man truly worthy of a woman's love When a monster threatens Talia and their happily ever after Sean has to reach into his past in order to protect his future Love heals all but some things may be impossible to forgive *The Land of Sunshine* Charles Fletcher Lummis,1899
