PULL-UPS - from DUD to STUD - to SUPER STUD - WITHIN WEEKS! Rahul Mookerjee,2020-03-20 Dear friend and FELLOW pull up ENTHUSIAST If there EVER was an exercise that lends itself to unending awe speculation and AMAZEMENT at being performed RIGHT it is the mighty PULL UP If there EVER was an exercise that builds strength in your upper body to near LEGENDARY King Kong like levels it is the ALMIGHTY pull up If there EVER EVER was ONE exercise that you would want to MASTER in all it s forms shapes and guises it is this the PULL UP If you want gorilla like traps and FOREARMS and a mighty rugged MUSCULAR chest and lat spread that looks like you d need to turn around sideways to get into the average door you need to get good VERY good indeed at ONE exercise the PULL UP If there EVER was an exercise that built outrageous abdominal STRENGTH insane twelve pack like definition and got rid of fat SUPER QUICK all over your

upper body it is well I think you've guessed it. If there ever was a pull up but while I could write several tomes on the pull up and still NOT be done I think you get the drift. Pull ups my friend are not only the most complete ADVANCED upper body exercise there is but they are also one of the misunderstood badly performed kipping ugh and awe inspiring exercises out there. Every man wants to be able to bang out at least 10 pull ups EFFORTLESSLY in letter perfect form but let's face it. Most modern day men I use quotes for a damned good reason would do well to hang on to the chinning bar for any length of time let alone with the right GRIP and as for performing a pull up or half pull up or quarter Well my friend the VAST majority of modern day men again I use quotes for a reason would be unable to even muster up the strength to pull their saggy bloated asses up even an inch or two without straining a tricep or two or more. And most modern day men that TRY to do pull ups as opposed to actually DO even half a REAL pull up remain sore for DAYS after their first attempt. Sounds familiar doesn't it. Yeah I thought so. Wouldn't YOU want to be lean and mean a fighting MACHINE like the soliders in the Marines and elite forces are around the world. Would you NOT want the ability to take punches to your midsection from PROFESSIONAL hitters and have them bounce off ya like they were nothing. As a friend of mine once told me I'd be wasting my time by hitting there. Would you not want the twelve pack and corrugated CORE and extreme upper body ape like strength and definition that most men can only DREAM of. Of course you would. WHAT THIS TUTORIAL CONTAINS The path breaking Pull ups from DUD to STUD within a matter of WEEKS a course that truly HAS brought folks from zero to hero level at pull ups in RECORD TIME. The torch bearing ADVANCED COURSE ON pull ups Pull ups from STUD to SUPER STUD that has turned previous fit folks into FREAKS of nature my friend with ape like upper body strength and black smith like IRONMONGER stylegrip that the average man can only dream of and MARVEL at. And as if that wasn't enough there is also a FAQ section on pull ups which addresses ALL the most commonly asked questions that folks have on pull ups. I guarantee you you ain't gonna find a more complete compilation on FAQ's in terms of pull ups ANYWHERE ELSE. In fact this alone probably justifies more than at least half the price of the course if I were to be very frank and brutally honest with ya. Grab it now my friend it truly IS a one of kind tutorial out there and combined with the FAQ section it truly IS the BEST I repeat VERY BEST course out there on pull ups. I challenge you to prove me otherwise. To your success Rahul Mookerjee
