What's the Matter with Delaware? Hal Weitzman, 2024-01-16 The legal home to over a million companies Delaware has more registered businesses than residents Why do virtually all of the biggest corporations in the United States register there Why do so many small companies choose to set up in Delaware rather than their home states Why do wealthy individuals form multiple layers of private companies in the state This book reveals how a systematic enterprise lies behind the business friendly corporate veneer one that has kept the state afloat financially by diverting public funds away from some of the poorest people in the United States and supporting dictators and criminals across the world **Hacking the Valley** Andrew Medal, 2014-06-26 Hacking the Valley by Andrew Medal highlights the major trends prominent people and most disruptive companies from the tech sector during April 2011 2013 Reading the book will give you an in depth and insider knowledge of the strategies tips tricks and hacks that contributed to the success of the companies and people showcased during this time

Chumley, 2025-01-14 In America either rights come from God or they don't This is the ultimate war and God Given or Bust tells how patriots can win American exceptionalism is rooted in the idea that individual rights come from God and government is only in place to preserve and protect those rights But America's losing sight of that concept America's turning into a country where the government grants rights and privileges to only those the government deems worthy and takes them from those it deems unworthy This is not how the Founding Fathers envisioned the nation this is not how the concept of inalienable rights coming from a Creator works Rather this is how Marxism communism and collectivism spread If we want a nation that's free for generations to come then we must reclaim the notion of God given and ditch the idea of government granted The only way to do that is for Americans of faith to rise up and inject biblical values and godly principles into government culture and society and put God once again at the center It's time to demand the God given or the great American experiment will come to an end
