Meet Eros Hall an Alpha who isn t arrogant domineering or egocentric and fall in love just as hard as our main character does After being kidnapped by a group of vengeful werewolves Emira finds herself in one hell of a situation First she is believed to be a powerful Breeder capable of birthing an army of werewolf warriors in a world where supernatural beings are going extinct Second her true soulmate is a powerful Alpha who is hell bent on keeping her And third to make matters worse she only has six moon cycles to be marked mated and pupped What does that even mean This steamy romance novel contains scenes of adult intimacy and dark situations that can be triggering Reviews I have to be honest I m only a few chapters in but I am enjoying this story immensely that I feel the need to share my thoughts now First of all this story is just a great product of the author thinking outside the box When I first read the title I expected it to be about a female werewolf who had to be mated to the alpha Now I m trying to figure out what kind of species the main character is Second of all I ve only read the first couple chapters and I m already hooked I m on the edge of my seat waiting impatiently to see what s going to happen And the intensity of the kidnapping is very well detailed As for grammar spelling punctuation I see very minimal to no mistakes at all I definitely recommend people read this book Can t wait to read more Charlotte Moore This is one of the best book I ve read before Reading this book will make you feel like you re on a emotional roller coaster It makes you wish you were actually in the book living with all those different people and wolf I found myself getting attached to all the characters The storyline is amazing and I love that this book is unique You will never find a book with a similar plot Again this is a good book Davina Nkasa This book is by far one of my favorites Savannah Burge An amazing story Captivated from the beginning Worth reading and falling in love with it Sakina Naeem What a brilliant story I was captured from the very beginning and was pleasantly surprised that it didn t turn out at all like I thought it would Tinkerbell Leonhardt Too awesome LOVE this story sooooooo much and I can t get enough of it I would recommend this story to anyone who likes to read about werewolves soul mates and romance Love you Tay Tay for writing this awesome story Victoria Aye Interesting and addictive I just couldn t stop reading it Angel Agams It s hard to find werewolf stories with a well written plot There was a background to characters and each scene gave enough description to understand what s going on This is on my list of good werewolf books to read I

hope you write a sequel Rachel Pittman In the beginning I was disgusted by the idea of a breeder and all that crap more specifically how who finds her first owns her But I quickly started to realize that the plot line could be amazing if written by the right author and that's exactly what happened here I'm usually not a fan of these kinds of werewolf stories where the mate doesn't have a say But in this story she does and she is in a loving and protected relationship If you like werewolf stories you will adore this book Alice This book is a MUST read It's sooo good It has a unique plot line that is not your everyday cliche werewolf novel The main character Emira is so funny and relatable And don't even get me started on Eros He's hot period It's different and I HIGHLY recommend it Kari **The alpha's chubby obsession** Meritsky,2025-11-26 I meant that I don't want any man to have you except me My heart thudded loudly in my chest I stood frozen unsure if this was real or just a cruel joke Are you here to mock me I asked quietly But Osborne shook his head standing tall before me I Osborne Cliff future Alpha of the Silver Crest Pack take you Aina Wilfred to be my mate Let the Moon Goddess bear witness Then I felt it Oh Goddess I'm in heat One day I was the fat unwanted girl rejected by the Beta's son The next minute the Alpha's son himself showed up and claimed me I didn't know why why Osborne came for me when I was at my lowest But I quickly learned something he doesn't just want my body He wants all of me He says I'm his mate The way he touches me holds me breathes me in This isn't just fate It's an obsession raw wild and consuming But being claimed by the Alpha's son comes with a price His father wants a political match his almost Luna would kill to see me gone and my own family only started loving me when I became useful If I stay by his side I have to become more than the fat plus size rejected girl I have to become his Luna A steamy rejected mate second chance love at first sight werewolf romance with a curvy heroine and a dangerously obsessive Alpha who never lets go Book 1 in this Second Chance Fated Mate Series **Puppy Love** Katelyn
