From Practice to Competition Gibson Darden, Sandra Wilson, 2023-02-27 Practice may arguably be the most important predictive factor of athlete success in sport. As such, designing and conducting effective practice sessions should be an essential element of coach education and development efforts. In *From Practice to Competition: A Coach's Guide for Designing Training Sessions to Improve the Transfer of Learning*, Gibson Darden and Sandra Wilson provide practical research-based recommendations for coaches to help them get the most out of their athletes at every practice. When implemented, these techniques yield greater positive transfer of their practices to the game. Featuring sample scenarios, real-world examples, potential difficulties, and helpful tips for each of the key transfer of learning concepts, this book is the perfect guide to help coaches answer the important question of "Will it transfer when designing and conducting each and every practice session?"

The book begins with a description of what sports ministry is and a historical overview of the sports ministry movement, including stories of prominent individuals and organizations past.
