**Seven Secrets to a Successful Divorce** Christina Rowe, 2007-08 Christina Rowe learned the hard way about the perils of divorce. She was a happily married woman with four children. Then Christina caught her husband cheating and her life spiraled out of control. What followed were two years of hell. She went through it all: money problems, dealing with a debeat ex husband, navigating the court system, corrupt lawyers, and more. Eventually Christina's life got better. She made it through the storm. In her hard-hitting tell-all book, Christina reveals the secrets to a successful divorce for women. She shares her story and gives you specific tips and recommendations on how not to be taken advantage of during your own divorce process.

**The Successful Divorce** John M. Wood (Attorney at law), 1997      **Getting Your Share** Lois Brenner, Robert Stein, 2000-12 Each year more than one million marriages end in divorce. Yet despite the passage of the no-fault divorce laws over the past two decades, divorce has become more complex and expensive and can be financially disastrous for wives of every age and economic condition. Today divorce can mean a 73 percent drop in the woman's standard of living while the husband's rises 42 percent. In *Getting Your Share*, Lois Brenner, an expert matrimonial lawyer, shows women how to get financial security for themselves and their children under the current divorce laws. From choosing the right attorney to the final divorce decree and settlement, this book takes you step by step through the legal, tactical, emotional, and financial conflicts of divorce. You will learn about the opening legal moves, how to stop thinking of your husband as your partner, how to get an accurate picture of family assets, how to protect your children financially and psychologically, when to negotiate a settlement rather than go to trial, and much more. Whether you have been married two months or twenty years, have had a full-time career, have devoted yourself to raising children, or have done both, *Getting Your Share* provides information and understanding to guide you through this complicated crisis.      *Divorce: 8 Best Selling Titles in One* Sam

Helfand's new guide intends to take worry out of the equation and give you a simple roadmap to show you how to move forward to better things. In this legal self-help guide, Helfand shows you how to decide when therapy or counseling isn't enough, pick a divorce lawyer who's right for you, prepare yourself emotionally for divorce and separation, cope with the stress of ending your marriage, manage legal fees, control your expectations, negotiate for custody and other issues, and get ready to live your best life. Helfand stresses that a divorce isn't merely the end of an unfulfilling marriage but the beginning of a new chapter of your life.      *Successful Divorce* Todd LaRoche, 2007-06-19 If you are presently going through a divorce or contemplating divorce, you are involved in one of
