## **Sucker Bait And Other Stories:**

**Sucker Bait** Graham Ingels,Al Feldstein,2014-02-15 Even 60 years after their original release in an era of explicit horror EC Comics superstar Graham Ghastly Ingels's grisly pages retain the power to shock. His loving depictions of the endless corruption of flesh and nature made him the go to guy for stories involving swamps, maniacs, and dismemberment, and all three combined to best effect in one of the standouts of this collection of his stories. *Horror We How's Bayou* considered the single most spectacularly drawn of all of EC's horror stories with a climax that would give *body horror* king David Cronenberg nightmares. Ingels specialized in depicting the unimaginable. If you ever wondered what the vengeful decaying corpse of an elephant stomping a woman to death would look like, it's in here. *Squash Anyone* Or living rats sewn into the bodies of a tyrannical king and queen. A Grim Fairy Tale or the results of injecting a poison pen letter writer with literal poison and reducing him to, in the words of Al Feldstein's script, a foul smelling oozing pool of putrescence. *Notes to You* One of the two Ray Bradbury adaptations in the book. *There Was an Old Woman* about a deceased crone who simply refuses to stay dead provides the closest thing to a note of sweetness that you'll find here, perhaps with the exception of the genuinely romantic *A Little Stranger* and its loving marriage between a dead vampire and a dead werewolf. *Sucker Bait And Other Stories* features 25 classic stories from *Tales From the Crypt*, *Shock Suspen Stories*, *Vault of Horror*, and Ingels' and his Old Witch character's special showcase *Haunt of Fear*, plus the usual fascinating historical, critical, and biographical material.

**Sucker Bait and Other Stories** Albert B. Feldstein, Ray Bradbury, 2014 Presents a collection of gruesome horror comics which often feature twist endings including *There Was an Old Woman Pipe Down* and *Funereal Disease*     **Horror Comics and Religion** Brandon R. Grafiis, 2024-12-02 While many genres offer the potential for theological reflection and exploration of religious issues, the nature of horror provides unique ways to wrestle with these questions. Since EC Comics of the 1950s, horror comics have performed theological work in ways that are sometimes obvious, sometimes subtle, but frequently surprising and provocative. This collection brings together essays covering the history of horror comics from the 1950s to the present, with a focus on their engagement with religious and theological issues. Essays explore topics such as the morality of EC Comics' cosmic indifference in the works of Junji Ito, the reincarnated demons of the web comic *The Devil is a Handsome Man*, religion and racial horror in comic voodoo, and much more.     **Forty Whacks** Jack Kamen, Al Feldstein, 2015-10-07 Jack Kamen's precise, clean style was perfect for subversion for EC Comics' tales of seemingly normal men and women who coolly act on the rage, jealousy, and greed just below their glamorous faces. Kamen's crime capers include *Forty Whacks*, *Whatever became of that ax*, *Lizzie Borden used Contract for Death*. A suicidal man agrees to accept \$5,000 for his fresh corpse, then changes his mind. But the contract fails to specify that the body has to be his. *The Neat Job*. Her neat freak husband drove her crazy so when she chopped him up into little pieces. *Just Desserts*. A madman bent on revenge hosts a dinner for his victims and the final course is a killer. Plus 20 more gripping tales of tension as only EC could do them.     **The High Cost of Dying**

Reed Crandall,Al Feldstein,2016-02-10 Reed Crandall's mastery of fine line detail and expertly nuanced pen and ink texture is a perfect fit for EC Comics This collection of 21 Crandall favorites delineated in his classically illustrative style includes The Silent Towns a Ray Bradbury story about the last man and woman on Mars Carrion Death a stark horror story about a man struggling through the desert with a corpse handcuffed to his wrist as the vultures circle closer Sweetie Pie the grisly story of a ghoul who sets up a roadside hazard to procure um fresh meat The Kidnapper about a man who decides to kidnap a baby to replace the baby that had been stolen from him and his wife Space Suitors a science fiction love triangle that leads to jealously betrayal and murder and The High Cost of Dying the title story in which a man must make an awful choice between burying his wife and feeding his children

**Zero Hour** Jack Kamen,Al Feldstein,2014-02-15 With his wholesome approach

Jack Kamen stood out amongst the grandguignol grunge gritty realism or futuristic dazzle of his fellow EC cartoonists but his brilliant editor writer Al Feldstein found a way to exploit the surface innocence of his style with seemingly nice stories of romance gone horribly wrong or future fantasies with an unexpectedly brutal twist And nowhere did Kamen's clean but lush graphics work better than in the stories he created for EC's science fiction comics The title story Zero Hour one of three in this book adapted from works by Ray Bradbury set in a Spielbergian suburban idyll is particularly well served by Kamen's surface innocence A Lesson in Anatomy works similar magic with its Mayberry esque setting veering into alien invasion terror If there was any devil in Kamen it came out in his loving depiction of the female face and form and you could see why his hapless heroes were often fatally entranced with them as in Punishment Without Crime Bradbury again He Who Waits a scientist finds an extreme way of rejoining his eight inch tall inamorata and Miscalculation the lucky recipient of a package from the future literally brews his own harem even the supercomputer in Only Human proves vulnerable to a beautiful woman's charms Zero Hour And Other Stories contains 22 classic EC yarns plus the usual all new biographical historical and critical essays that have made Fantagraphics EC Library series the ultimate version of these classics

**Spawn of Mars**

Wallace Wood,Al Feldstein,2015-01-04 The science fiction genre owes a debt especially visually to EC Comics and this highly anticipated Wallace Wood collection shows why It features over two dozen comics stories drawn in Wood's meticulously detailed brushwork his lived in spaceship interiors helped inspire Star Wars Millennium Falcon And with titles like Spawn of Mars The Dark Side of the Moon A Trip to a Star The Invaders The Secret of Saturn's Ring and The Two Century Journey how can you go wrong

**Grave Business** Graham Ingels,Al Feldstein,2015-07-04 Even in an era of explicit horror films Ghastly Graham Ingels still delivers a shock to readers with his grisly depictions of the stomach churning fates of the evil men and women in these stories leavened only by a sly wink to the reader and a generous dose of dreadful puns Ingels's brushwork oozes ominously across every panel perfectly setting the mood for the shudder inducing fates of such corrupt characters as the sadistic asylum director the political candidate who murders his opponent the ventriloquist with the homicidal dummy the millionaire who persecutes an aged junkman and the medieval duke who runs over a young boy with his carriage then

taxes the peasants to pay for cleaning up his victim s blood      **Aces High** George Evans,Al Feldstein,Harvey Kurtzman,2014-12-06 George Evans was a master of the aviation war story This collection includes all of his highly acclaimed stories for Aces High EC s famous air war title As a bonus we present a rarity Evans never before reprinted 3 D story of World War I ace Frank Luke in regular easy on the eyes 2 D This volume also includes numerous Evans crime and shock stories including As Ye Sow My Brother s Keeper and Cadillac Fever Other war stories many done in collaboration with Harvey Kurtzman include Napoleon and Flaming Coffins which Evans wrote about the inherent perils of WW I aircraft Like all books in the Fantagraphics EC line Aces High features essays and notes by EC experts on these superbly crafted classic comic book masterpieces      *Master Race* Bernard Krigstein,Al Feldstein,Ray Bradbury,2018-01-10 This comics anthology includes Krigstein s most famous story which broke both aesthetic and narrative boundaries plus material that s never been reprinted since the 1950s In addition to Master Race this volume includes The Flying Machine based on a story by Ray Bradbury Other stories include Slave Ship an unpublished science fiction tale that was only discovered in the decades following EC s demise The Monster From The Fourth Dimension a horror science fiction shocker that has never been reprinted since its original appearance in 1954 and other Krigstein crime horror war and science fiction stories covering the full gamut of EC titles including Tales From the Crypt Crime SuspenStories Shock SuspenStories Aces High and Incredible Science Fiction      The Martian Way and Other Stories Isaac Asimov,1985 The deep Roi s mission was vital to the very survival of his alien species But to succeed he must face an ordeal his race considered obscene mothering      *Comeuppance at Kicking Horse Casino and Other Stories* Charles Brashear,2000 Fiction Native American Studies Charles Brashear is a storyteller extraordinaire his eye for detail his ear for dialogue and his respect for the often complicated histories of Indian America are unmatched Joseph Bruchac COMEUPPANCE AT KICKING HORSE CASINO AND OTHER STORIES is a powerful blending of voices from a perspective that is both timely and as old as the People of Turtle Island Lee Francis University of New Mexico      **Environmental Fiction for Pedagogic Purposes** William A.
