Religion and Contemporary Politics Timothy J. Demy,Jeffrey M. Shaw Ph.D.,2019-09-19 With respect to the countries of the world this work addresses two basic questions How does religion affect politics in this country and How does politics affect religion in this country Although there are many books on the topics of religion and politics reference works that consider the two together are few with those that do exist primarily addressing theory rather than trends The present work does the latter contextualizing them within regional and national boundaries In so doing it recognizes the power of political and religious ideas and movements on individuals communities and nations making the work a valuable resource for several disciplines among them political science international relations religion and sociology The work focuses on the interplay of religion and politics in countries around the world with an emphasis on the post 2000s It is organized by global geographic regions including Africa Central and South America and the Middle East and presents countries alphabetically within those sections Each region has a brief overview of the political religious dynamics of the area so readers can compare and contrast the dynamics between and among countries in a region The work also includes an introduction sidebars and a bibliography

An Ambazonian Liberation Theology? Daniel J. Pratt Morris-Chapman,2022-12-31 The last 6 years have witnessed a period of considerable unrest in Cameroun In 2016 protests within the minority Anglophone regions against the obligatory use of French in court rooms and schools were violently suppressed This combined with decades of marginalisation by successive Francophone governments led to calls for secession the creation of an independent nation of Ambazonia This book offers a theological reflection on this escalating crisis examining whether nationalism might be considered a tool of liberation in this particular African context

Child Mortality Differentials in the Sudan Augustino Ting M. Mayai,2008

Culture and Customs of Sudan Kwame Essien,Toyin Falola,2009 Amid a Sudan s dark history saturated with conflicts and tragic current events lies a culture with deep roots going back as far as 8000 BC With several hundred ethnic groups and languages Sudan is one of the world s most diverse countries Learn how these cultures have blended and collided throughout the centuries and examine how traditions and customs are kept alive today Religious beliefs social customs arts literature and cuisine are among the topics discussed in this volume which is ideal for high school and undergraduate students Chapters include coverage on historical background religions and worldviews literature and media art and architecture cuisine and traditional dress gender roles marriage and family social customs and music and dance A timeline of key events

and bibliographical essay including print and nonprint sources supplement the work ***Breaking Sudan*** Jok Madut Jok, 2017-03-02 After decades of civil war the people of southern Sudan voted to secede from the north in an attempt to escape the seemingly endless violence On declaring independence South Sudan was one of the least developed places on earth but with the ability to draw upon significant oil reserves worth 150 million a month the foundation for a successful future was firmly in place How then did the state of the new nation deteriorate even further to the point that a new civil war broke out two years later Today with both Sudans still hostage to the aspirations of their military and political leaders how can their people escape the violence that has dominated the two countries recent history By giving voice to those who after the break up of Sudan have had to find ways to live trade and communicate with one another Jok Madut Jok provides a moving insight into a crisis that has only rarely made it into our headlines ***Breaking Sudan*** is a meticulous account analyzing why violence became so deeply entrenched in Sudanese society and exploring what can be done to find peace in two countries ravaged by war ***The Theories of Decentralization and Local Government*** Kwame Badu

Antwi-Boasiako,Peter Csanyi,2014 ***Theories of Decentralization and Local Government*** brings fresh perspective to the debate and comparative analysis of vertical division of power i e processes of decentralization and relations between central and local self governments The multiple author book is not just one of many similar around the globe as it encompasses contributions from many different academics from not only different countries but also different continents and even more importantly very different political traditions and cultures This way the book deepens and strengthens knowledge of the role of local governments in the contemporary world and brings new value to discussions on the relationship between decentralization and development Contributors include Ahmed Mustafa Elhussein Mansour Hong Pang Abdulfattah Yaghi Jose Neftali Recinos Gariela Miranda Recinos Lee Payne Heather Wyatt Nichol Ed Gibson James Newman Kwame Asamoah Minerva Cruz and Alexandra Tsvetkova

The Literary Review ,2007 **Genocide at the Dawn of the Twenty-First Century**

Dale C. Tatum,2010-06-15 At the end of World War II the international community deemed genocide a crime against humanity Yet at the dawn of the twenty first century it has occurred repeatedly This book explains why genocide began to occur in the twenty first century and why the United States has been ineffective at preventing it and stopping it once it occurs

Symposium 2008 ,2008 ***International Conflict Resolution 2nd Ed.*** Charles Hauss,2010-04 Using a broad range of case studies this book examines conflict and the international relations facing the world today ***China Returns to Africa*** Chris Alden,Daniel Large,Ricardo Soares de Oliveira,2008 Chinese African relations became an issue of increasing importance leading up to the 2006 China Africa Summit in Beijing Nevertheless academics and policymakers have largely neglected China s expanding relationship with Africa Scholars have yet to explore the concrete ways in which Chinese actors operate in different parts of Africa and developmental policy advisors have yet to take the political dynamics and implications of this involvement into consideration when forming policy ***China Returns to Africa*** addresses key issues in contemporary

Chinese African relations examining the impact of this relationship in issues of diplomacy trade and development Beginning with the assertion that China is engaged in a scramble for Africa and that we are now on the brink of a new Chinese imperialism the essays in this volume transcend narrow media driven concerns and offer one of the first far ranging surveys of the consequences of China's investment in Africa

The Benefits of Famine David Keen,2008 Who benefits from famine When is famine part of a national strategy David Keen's pioneering study revealed how a network of government officials merchants transport owners and militia members profited from the Sudan's famine of the late 1980s The 1988

famine was a dress rehearsal for Darfur A similar network of beneficiaries operates in Darfur today **BOOK JACKET** Just Transitions Mark Swilling,Eve Annecke,2012 Current economic growth strategies around the world are rapidly depleting natural resources and eco systems Just Transitions provides an overview of these challenges from a Global South perspective How do developing countries eradicate poverty via economic development while encountering the consequences of global warming and dwindling supplies of clean water productive soils cheap oil minerals and other resources How do they address widening inequalities as well as the need to rebuild ecosystem services and natural resources This book considers a just transition which reconciles the sustainable use of natural resources with a pervasive commitment to sufficiency where over consumers are satisfied with less so that under consumers can secure enough It synthesises a range of different literatures to illuminate new ways of thinking from a sustainability perspective It rethinks development with special reference to the greening of the developmental state explores the key role that cities could play in the transition to a more sustainably urbanised world highlights the neglect of soils and examines the potential of sustainable agriculture to feed the world Case studies drawn from Africa detail the challenges but they are set in the context of global trends The authors conclude with their experience of building a community that aspires to live sustainably **Index Islamicus** ,2007
