Summer With The Leprechauns The Authorized Edition:

Summer with the Leprechauns Tanis Helliwell, 1997-06-04 An astonishing true story about one woman's journey to Ireland where she lived in a cottage with leprechauns. These seldom seen beings taught her about the evolution of elementals, the race to which leprechauns, fairies, elves, trolls belong. They explained the importance of humans and elementals working together for the betterment of both of their races and the Earth. Far more than a faery tale, this book is a classic that has been published in eight languages. Now the author has re-edited her book so that the reader can hear the leprechaun's voice in all his mischievous wisdom. You also learn about body elementals that keep you alive from lifetime to lifetime and about the beings in the center of the Earth who are helping our planet. And all this with a great sense of humor as Helliwell captures life in a remote Irish village with an insight into the people that is infectious. An Irish Jewel, this is a good humored true account of Tanis' summer in a cottage in Ireland where the resident leprechaun taught her about the evolution of elementals, fairies, elves, leprechauns. Praise for *Summer with the Leprechauns* Tanis Helliwell is a spiritual evocateur and deep seer who opens us up to other voice, other realms. Jean Houston, author of *Search for the Beloved*. It can help us open our minds to fascinating dimensions that do exist on the planet. Dorothy MacLean, co-founder of Findhorn and author of *To Hear the Angels Sing*. Opening this book opens a door in the imagination. Whether you take it as fact or fiction, this book carries a message of planetary priorities. Julia Cameron, *An Artist's Way*. [The High Beings of Hawaii](#) Tanis Helliwell, 2019-01-01 This Hawaiian vacation turns into a humorous heart opening odyssey that is alive with beings from other dimensions. Join Tanis' adventure to meet seldom seen beings of various races that dwell in volcanoes, misty forests and roaring seas. Discover the meaning behind our interconnected ancestral lineage. Receive practical tools from these physical and spiritual ancestors to heal the wounds in your life, in the lives of others and ultimately to help heal our wounded Earth. Walk with the author along this meaningful path and you could develop a deep intimate relationship with your own ancestors, elementals and mystical kin. Praise for *The High Beings of Hawaii* Tanis offers our Hawaiian ancestors the opportunity to speak to more people through her experiences with them and does this with humor and honor and captures their essence in her story. *mahalo ke akua mahalo na amakua mahalo na kupuna o kahiko me kealohapumehana* which means Thanking the gods, thanking the ancestors, thanking the family ancestors from the old time with love and warm aloha.
