Great results have already been seen from individuals who respect Gods Word and value what it can bring to the Board room as well as to the church service You will not be sorry you invested in this training for you and your ministry team Rev Lloyd Tremain Paradise Community Church of the Nazarene A thorough practical and much needed Biblically sound treatment Wish it had been available 20 years ago when I could have use it to a great positive effect Dan Wilderman Retired Assemblies of God Pastor the order and practical instruction presented will benefit all organizational levels of any Christian Church today John Steffensen Radio Host Christ Today KKXX Radio Chico CA Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore or church maintenance or the myriad other duties needed to keep a church going The result was that the church stayed the same size Some leave others enter But no growth was apparent despite the considerable preaching talents of the pastor God is apparently making sure he has only the amount of people that he can handle We learn that the ancient church had some of the same challenges we face today Acts 6 14 says Now in those days when the number of the disciples was multiplying there arose a complaint against the Hebrews by the Hellenists because their widows were neglected in the daily distribution Then the twelve summoned the multitude of the disciples and said It is not desirable that we should leave the word of God and serve tables Read this as doing manual labor Therefore brethren seek out from among you seven men of good reputation full of the Holy Spirit and wisdom whom we may appoint over this business the manual labor but we will give ourselves continually to prayer and to the ministry of the word It was even bringing strife to the local body What did they do And what was the result The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties the manual labor This freed up the apostles so they could minister the Word of God Wow Gods way is so simple and our grandiose plans just waste time and get nothing done Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes Gods church This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them

The Sunday-School Teacher's Guide ,2020-02-16      **The Sunday School Teacher's Guide** John Angell

James,2017-05-17 The ultimate object of a Sunday School teacher should be in humble dependence upon divine grace to impart that religious knowledge to produce those religious impressions and to form those religious habits in the minds of the children which shall be crowned with the SALVATION OF THEIR IMMORTAL SOULS Or in other words to be instrumental in producing that conviction of sin that repentance towards God that faith in the Lord Jesus Christ that habitual subjection in heart and life to the authority of the scriptures which constitute at once the form and power of GENUINE GODLINESS

**Set Your Heart** Justin Smith, 2019-05-29 In a pastor's world there are few words that bring as wide of an array of emotions as these two For some it is the enigma that cannot be solved for others it is the dead horse that people keep trying to ride Sunday school is one of the few mainstays that has weathered decades of change in the way that churches are conducted yet for many pastors it has become something to stand off from and let others deal with with the hope that it does not come back to bite the pastor unexpectedly When Sunday school is functioning well it is one of the most powerful vehicles a church has to help it carry out the Great Commission and to engage members in doing Christ's work While many churches have moved away from the name Sunday school the heart of the ministry remains the same it is a group that is open ongoing and employs a plan to study the Bible Gene Mims 2003 describes these open groups as person centered meaning they focus on bringing people into a transforming relationship with God lay led and Bible based concluding that open groups fulfill the Great Commission by making disciples of all men Though they are often called classes because of the Sunday school name Mims called this a misnomer explaining They are classes in the sense that the Bible is studied but they are much more They are kingdom entities built on the five functions of the church They are living organisms built for the people who attend p 135 But this sounds nothing like what most pastors hear from the Sunday school or small groups that take place in their churches Any pastor would get behind a strategy that would help him assimilate newcomers into a group of believers study the Scriptures each week connect believers together to care for one another and mobilize believers to share their faith and take the gospel throughout the world Sunday school was designed to be that strategy but in our day it has fallen into disrepair In many churches today Sunday school sits like an old rusty car shining in places with a bit of its past glory but by and large a lawn ornament To make matters worse pastors are often given the keys to this car with no instructions on how to start it how to make it run or even how to drive it The goal of this book is

to give you as a pastor and leader an owner's manual of sorts to help you dust off the wear and tear of Sunday school in your church and prepare you to not only get it started again but to hear it hum and purr again as a vehicle to carry Christ's disciples in their Great Commission work. One of the struggles for pastors is that there are simply not many resources available today to guide a pastor in leading Sunday school. While the market is filled with works on how to lead an individual group or on the importance of groups, little attention has been given to practical steps that pastors can take to help Sunday school in their churches. But this is not the market's fault but rather a reflection of the emphasis given to Sunday school; it is often neglected in seminaries and Bible colleges tasked with training pastors and is rarely used in churches as beginning training for prospective pastors. Steve Parr (2010) laments over his experience of talking with a large group of master of divinity graduates: those who have been trained for the task of pastoring who had been given no academic training at all concerning how to lead Sunday school, leading him to conclude if the pastor does not have the tools and the knowledge, neither will the members. The result is that many pastors go into a church that has the basic Sunday school structure but the Sunday school is lifeless and cold. p. 21. Further with the many other tasks that occupy a pastor's schedule and thinking, Sunday school is often placed on the back burner. In trying to understand why pastors were not more involved in Sunday school, Rainer (1999) found that pastors focused their attention on The Boy and the Sunday School John L. Alexander, 1913
