13 39 And the enemy who sows them is the devil In this book you will also find the name of the beast finally Name that millions have tried in vain to identify The devil sowed the lies but we have believed in them despite all of Jesus and his disciples warnings and this causes our lost Only the key of the kingdom of heaven that Jesus gave to Peter the truth the word of God can save us Read very carefully 2 Thessalonians 2 10 They perish because they refused to love the truth and to be saved If you really have love for the truth you will read The True Face of The Antichrist to the end even though it is very shocking and troubling as you have never been but remember one thing it is for your own salvation I already have my salvation because I saw and I believed the truth and I have accepted it So I wish you the same joy the same happiness The truth that is in this book is a knife straight to the heart of the beast The more it will be sold and the more the truth will be known and accepted the more the beast will be destroyed What gives the power to the beast are the ignorance and the hypocrisy of its members The beast has its foundation on lies and this is why it will be destroyed by the truth by the word of God just like the prophecy says See 2 Thessalonians 2 8 And then the lawless one will be revealed whom the Lord Jesus will overthrow with the breath of his mouth the word of God and destroy by the splendor of his coming James Prince

**The Development of the Antichrist** Terry Kulakowski,Andrew Bonar,2017-10-28 The principle of interpreting the prophetic portions of Holy Scripture as literally as the historical is recognized throughout the following pages and it is upon this ground alone that the writer builds his hope of escaping a charge of presumption in submitting them for consideration as he has ventured to do They are meant to be a protest against the confusion which has been introduced by metaphorical indulgences and not as an additional fancy to increase the bewilderment felt by many who like himself are honestly seeking to know the truth of what concerns us all so deeply We have its own authority for saying that in it are things hard to be

understood and a knowledge of this may well deter any from dogmatizing upon details but can it be said that this is to interfere with the principle of a literal interpretation itself or the leading deductions which if words have any meaning at all follow inevitably from it **One World Under Antichrist** Peter Lalonde, 1991 Are we moving from one nation under God to one nation under Antichrist Should Christians be happy about the changes in international relations One World Under Antichrist takes the reader into the stories behind the news stories putting events in context of biblical prophecy e events are connected to the new world order and showing how the powers clearly reject Christ as the only hope for true world peace
