*A Grateful Response to God's Abundant Gifts* C. Lies,Rev C Jarrod Lies S T L,2018-03 The Diocese of Wichita defines stewardship as the grateful response of a Christian disciple who recognizes and receives God s gifts and shares these gifts in love of God and neighbor Msgr Thomas McGread stated A stewardship way of life is a thanksgiving way of life living life as God intended it to be lived It s not a program It s a way of life And this is really the biggest mistake many people make The mistake referred to is reducing the idea of stewardship to financial development In the Diocese of Wichita the accent of stewardship is on gratitude for God s gifts not on methods of increased financial giving This accent includes subordinating stewardship to discipleship and making discipleship missionary in practice The goal of this book is to summarize and explain the purpose and meaning of stewardship as practiced in the Diocese of Wichita After an overview of its historical development within the diocese it will proceed through stewardship s scriptural magisterial and pastoral foundations and conclude with the identity and responsibilities of a steward Although the foundations of stewardship will be explained a detailed description of the process by which it is implemented within a parish is outside the scope of this book A further aim of this book is to elucidate the intrinsic relationship between stewardship discipleship and evangelization Finally it is hoped that persons more inclined to see stewardship in terms of finances will come to understand it more in terms akin to the apostolate as set forth in the

documents of Vatican II     **Grateful Caretakers of God's Many Gifts** Joseph M. Champlin,2002 The message of stewardship invites us to give our time talent and treasure in gratitude for our abundant blessings Fostering grateful caretakers in parishes is an ongoing task that requires vision courage and trust In Grateful Caretakers of God s Many Gifts the first major revision of Fr Joseph Champlin s ground breaking sacrificial giving program Father Champlin continues to encourage the sharing of treasure time and talent transforming parishioners into grateful caretakers of God s many gifts Grateful Caretakers of God s Many Gifts provides a theological and biblical basis for stewardship and gives detailed guidance for sharing time talent and treasure It also offers the history foundational principles and implementation steps for sacrificial giving a form of stewardship The manual likewise provides a wealth of material for sustaining and strengthening grateful caretaking in a parish on a long term basis Finally it offers practical suggestions on a number of special issues in stewardship including accountability annual renewals customized direct deposit of Sunday offerings planned giving and parish stewardship councils and training our youth to share Father Champlin shows that the sacrificial giving process effectively supports grateful caretakers of God s gifts people in the parish willing to share significantly their time talent and treasure for the Church and the world It has been proven in practice is biblically and theologically sound actively involves lay persons touches the hearts of parishioners is uncomplicated and inexpensive to implement produces impressive short term results and provides long term possibilities Grateful Caretakers of God s Many Gifts builds on Father Champlin s original sacrificial giving publications in both the theory and practice of how to motivate parishioners to become active stewards of their faith It has on going value for those concerned about fostering grateful caretaking in a parish
