**Still Sovereign** Thomas R. Schreiner, Bruce A. Ware, 2000-03-01 The relationship between divine sovereignty and the human will is a topic of perennial theological dispute and one that is gaining increased attention among contemporary evangelicals. In *Still Sovereign* thirteen scholars write to defend the classical view of God's sovereignty. According to the editors, ours is a culture in which the tendency is to exalt what is human and diminish what is divine. Even in evangelical circles we find increasingly attractive a view of God in which God is one of us as it were a partner in the unfolding drama of life. In contrast, the vision of God affirmed in these pages is of one who reigns supreme over all whose purposes are accomplished without fail and who directs the course of human affairs including the central drama of saving a people for the honor of his name all with perfect holiness and matchless grace. The fourteen chapters of *Still Sovereign* originally part of the two volume *The Grace of God the Bondage of the Will* are divided into three parts. Part 1 offers fresh exegesis of the biblical texts that bear most directly on the doctrines of election, foreknowledge, and perseverance of the saints. Part 2 explores theological and philosophical issues related to effectual calling, prevenient grace, assurance of salvation, and the nature of God's love. The final section applies the doctrines of election and divine sovereignty to Christian living, prayers, evangelism, and preaching.

**The Doctrine of Salvation in the First Letter of Peter** Martin Williams, 2011-10-13 The prevalence of salvation language in the first letter of Peter has often been acknowledged though rarely investigated in depth. In this book, Martin Williams presents an account exploring the concept of salvation in this theologically rich letter. He brings together the disciplines of hermeneutics, New Testament studies, and systematic and historical theology in order to explore the language of salvation which resonates within the text. The book also elaborates on a methodological level the

segregation which has arisen between biblical studies and theological studies In doing this Williams identifies a basis for how there can be interaction between these two different viewpoints This book will be a valuable resource for students and scholars interested in the exegesis and theology of 1 Peter the doctrine of salvation and biblical interpretation     A

**Multi-Intentioned View of the Extent of the Atonement** Gary L. Shultz Jr.,2014-01-07 Christians strongly disagree about the extent of the atonement Some believe that the atonement only extends to the elect those whom God chose to save before the foundation of the world Others believe the atonement is unlimited that Jesus died for all people whether they ever believe in him or not Despite the differences in these two traditional understandings they share one thing in common both believe that Jesus died for a single intended purpose But what if God s intentions in the atonement are multiple not single The Bible teaches exactly this that Jesus died both to pay for the sins of all people and to secure the salvation of those God chose to believe in him before time began This book explains and defends a multi intentioned view of the extent of the atonement asserting that this view does the best job of understanding all of what the Bible says about the extent of the atonement is more theologically comprehensive than the traditional views and has the best potential for consensus on who exactly Jesus Christ died for when he was crucified for our sins     *Excusing Sinners and Blaming God* Guillaume Bignon,2017-12-11

Calvinist determinism destroys moral responsibility and makes God the author of sin These two accusations are not new and were arguably anticipated by Paul in Romans 9 but they remain today the most important objections offered against Calvinist determinist views of human free will This book is a philosophically rigorous and comprehensive defense of Calvinism against these two families of arguments With respect to human moral responsibility it discusses whether determinism destroys free will turns humans into pets or puppets and involves or is analogous to coercion and manipulation It responds to the consequence argument and direct argument for incompatibilism the principle of alternate possibilities the ought implies can maxim and related claims With respect to the authorship of sin it discusses whether Calvinist determinism improperly involves God in evil Does it mean that God sins or causes sin or wills sin in problematic ways Does God intend our sin or merely permit sin In each case the coherence of the Calvinist view is defended against its most potent objections to reject the claim that Calvinism is excusing sinners and blaming God     *The Race Set Before Us* Ardel B. Caneday,Thomas R.

Schreiner,2025-10-30 Discipline Endurance Perseverance The New Testament often describes the Christian life as a marathon a race set before us But what exactly is the prize Do all those completing the race share in it And can the prize be lost Tackling these and other vexing questions Thomas Schreiner and Ardel Caneday offer in this book a serious exegetical wrestling with the biblical understanding of the nature of saving faith and its implications for the people of God Here is a foundational study that considers all of the relevant New Testament texts and that weighs the meaning of those texts for both Christian living and pastoral ministry     **Salvation** Thomas R. Schreiner,Christopher W. Morgan,2024-01-15 Chris Morgan and Thomas Schreiner s Salvation examines the doctrine of salvation through in depth explorations of the different aspects of

God's salvific plan for believers. Through in-depth biblical and theological studies of election calling, regeneration, justification, sanctification, and more, Schreiner and Morgan demonstrate how each part of our salvation is not only for our good but also for God's glory. **To Save Sinners** Michael Riccardi, 2023-04-12 The atoning work of the Lord Jesus Christ on the cross stands as the very epicenter of Christianity, the very heart of the gospel. Because of this, one does not stray far from the heart of the Christian faith when he asks, "For whom has Christ accomplished so great a salvation?" Answers to that question have historically fallen in two broad categories: Either Jesus died for all people without exception, or he died only for those whom the Father has chosen to save. Recently, a mediating view has arisen, arguing that we should not choose between these options but that Jesus died with multiple intentions for all without exception and for the elect alone. In this book, Michael Riccardi offers a critical evaluation of the multiple intentions view from the perspective of classic particularism. The book demonstrates that while the third way proposed is attractive at first blush beneath the surface, it faces insurmountable biblical and theological problems, including the redefinition of the nature of the atonement itself. Riccardi demonstrates that particular redemption is the teaching of the text of Scripture against the objections of one of its strongest opponents.

**Does God Have a Future?** Christopher Alan Hall, John Sanders, 2003 Sparked by the openness of God movement, the authors irenically debate over the nature of God and divine providence. *Spectrum*, 2001. *Forthcoming Books* Rose Arny, 2004. **One New Man** Jarvis Williams, 2010-10-01 Author Jarvis Williams provides Christians with a biblical worldview of race and race relations by focusing on the biblical writings of Paul. **40 Questions about Christians and Biblical Law** Thomas R. Schreiner, 2010-10-08 This volume by Dr. Thomas R. Schreiner on the interplay between Christianity and biblical law is an excellent addition to the 40 Questions Answers series. Schreiner not only coherently answers the tough questions that flow from a discussion about the Old Testament Levitical Law but also writes clearly and engagingly for the student. The pastor, student, and layperson can easily understand Schreiner's biblical theology of the Law. **1, 2 Peter, Jude** Thomas R. Schreiner, 2003 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text. **Baptist Foundations** Mark Dever, Jonathan Leeman, 2015-06-15 In this volume, representatives of several North American Baptist seminaries and a Baptist university make the exegetical and theological case for a Baptist polity. Right polity they argue is congregationalism, elder leadership, diaconal service, regenerate church membership, church discipline, and a Baptist approach to the ordinances. **Religious and Theological Abstracts**, 2000.

**Commentary on 1-2 Chronicles** T. Desmond Alexander, Andreas J. Kostenberger, Thomas R. Schreiner, 2020-01-01. **The Lord's Supper** Thomas R. Schreiner, 2010 An exploration of the Baptist view of the Lord's Supper, contrasting it with Roman Catholic, Lutheran, Calvinist, and Zwinglian perspectives. **Perspectives on Election** Chad Brand, 2006 Five church scholars from varying denominational backgrounds discuss five basic common beliefs about spiritual election that have developed throughout history with the goal of determining which is most scripturally sound. **Perspectives on Election**
