

Stirrings Still

Stirrings Still

John Pilling

Stirrings Still:

Stirrings Still Samuel Beckett, 2015-09-28 By the winner of the 1969 Nobel Prize for Literature A dense inner monologue *Stirrings Still* was written by Beckett in 1987 and 1988 when he had become increasingly reflective about his life It portrays in Beckett's spare style a consciousness exploring a self faced with uncertainties about its own existence *Stirrings Still* is a spellbinding work full of a sense of farewell It is dedicated to Beckett's longtime friend and publisher Barney Rosset Samuel Beckett 1906-1989 was a playwright poet and novelist whose work has had a formative influence on 20th century culture Born in Foxrock Ireland he moved to Paris after an abortive attempt at being an academic Years of penury and obscurity followed during which time he consorted with artists such as James Joyce Alberto Giacometti and Marcel Duchamp During World War II he was an active member of the French Resistance and after the war he was honored with the Croix de Guerre and the Médaille de la Résistance In 1954 Beckett's play *Waiting for Godot* was introduced to an unsuspecting America by Barney Rosset at Grove Press Beckett became a signature author of the fledgling company Although he was highly regarded by a small circle of literary aficionados it was not until Beckett won the Nobel Prize for Literature in 1969 he famously gave away the prize money that accompanied it that his work began to reach a wider audience His writing is characterized by meticulousness and a ceaseless fascination with the puzzle of fitting words to actions and with the simultaneous impossibility and necessity of doing so that marks the human condition *The Making of Samuel Beckett's Stirrings Still/ Soubresauts and Comment Dire/what is the Word* Dirk van Hulle, 2011 This volume is part of the Beckett Digital Manuscript Project BDMP a collaboration between the Centre for Manuscript Genetics University of Antwerp the Beckett International Foundation University of Reading and the Harry Ransom Humanities Research Center University of Texas at Austin with the support of the Estate of Samuel Beckett The BDMP www.beckettarchive.org digitally reunites the dispersed manuscripts of Samuel Beckett's works and facilitates their examination The project consists of two parts a digital archive of Beckett's manuscripts with facsimiles and transcriptions organized in modules by a series of print volumes analyzing the genesis of Beckett's works This first volume of the BDMP studies Beckett's last works *Stirrings still Soubresauts and Comment dire what is the word* It examines the notes manuscripts typescripts and other writing traces and reconstructs the dynamics of the composition process on the basis of this material **The Ideal Real** Paul Davies, 1994 In *The Ideal Real* Paul Davies argues that Beckett saw this potential self emerging in the world of imagination and symbol especially in this age where language alone has come to be seen as the vehicle of education and the determiner of identity *The Cambridge Companion to Beckett* John Pilling, 1994-03-17 The world fame of Samuel Beckett is due to a combination of high academic esteem and immense popularity An innovator in prose fiction to rival Joyce his plays have been the most influential in modern theatre history As an author in both English and French and a writer for the page and the stage Beckett has been the focus for specialist treatment in each of his many guises but there have been few attempts to provide a

conspectus view This book first published in 1994 provides thirteen introductory essays on every aspect of Beckett's work some paying particular attention to his most famous plays e.g. *Waiting for Godot* and *Endgame* and his prose fictions e.g. the trilogy and *Murphy* Other essays tackle his radio and television drama his theatre directing and his poetry followed by more general issues such as Beckett's bilingualism and his relationship to the philosophers Reference material is provided at the front and back of the book *Company / Ill Seen Ill Said / Worstward Ho / Stirrings Still* Samuel Beckett, 2009 Beckett's four last prose writings *The Drama in the Text* Enoch Brater, 1994 In this rich and perceptive study of some of the most haunting fiction written in the late twentieth century Beckett critic Enoch Brater continues his investigation of the tension between text and script silence and associational sound Brater argues with great learning that Beckett's fiction like his radio plays demands to be read aloud since much of the emotional meaning lodges in its tonality Here the rhythm of Beckett's labouring heart finds its performative voice as the reader now turned listener collaborates in the creation of a musical composition that must elucidate the stillness of the universe *The Drama in the Text* is a book about reciting and recounting about how we know and what we know when we read a lyrical text crafted in prose but sounding like something else instead Brater ranges across all of Beckett's work quoting from it liberally and makes connections mainly with other writers but also with details drawn from the whole Western cultural heritage The only book that deals thoroughly with Beckett's complete late fiction Brater's study opens to a wide literary audience the difficult and elliptical nature of Beckett's mature prose style For those readers who find Beckett's late fiction impossible to follow let alone describe this book will be an authoritative and persuasive guide providing recognition insight and accessibility *Memory and Narrative* James Olney, 1998 At a time when the memoir has never been more popular *Memory and Narrative* presents an account of how the weave of life writing has altered over time to arrive at its present form James Olney tells the story of an evolving literary form that originated in the autobiographical writings of St Augustine underwent profound and disruptive changes in Jean Jacques Rousseau's life writing trilogy and found its momentary conclusion in the body of Samuel Beckett's work Among other issues Olney considers the rejection of the pronoun I by many post Rousseau writers the uses of narrative in the works of Beckett Franz Kafka and the sculptor Alberto Giacometti and the role of literary memory in light of recent memory work from a variety of scientific disciplines Giambattista Vico Henry Adams Gertrude Stein Richard Wright and Christa Wolf are some of the many writers examined in this monumental study *Stirrings Still* Dirk Van Hule, 2007 *Beckett and Buddhism* Angela Moorjani, 2021-07-22 Beckett and Buddhism undertakes a twenty first century reassessment of the Buddhist resonances in Samuel Beckett's writing These reverberations as Angela Moorjani demonstrates originated in his early reading of Schopenhauer Drawing on letters and archives along with recent studies of Buddhist thought and Schopenhauer's knowledge of it the book charts the Buddhist concepts circling through Beckett's visions of the human predicament in a blend of tears and laughter Moorjani offers an in depth elucidation of texts that are shown to intersect with the negative and paradoxical

path of the Buddha which she sets in dialogue with Western thinking She brings further perspectives from cognitive philosophy and science to bear on creative emptiness the illusory I and Beckett s probing of the writing process Readers will benefit from this far reaching study of one of the most acclaimed writers of the twentieth century who explored uncharted topologies in his fiction theatre and poetry *The Seven Vices* Guglielmo Ferrero,1926 *The End of Postmodernism* Heide Ziegler,1993 **Stirrings Still and the Solicitation of Value in Samuel Beckett's Work** ,1998 The Beckett Circle ,1995 **Overland Monthly and the Out West Magazine** Bret Harte,1926 **Fulcrum** ,2007 **Irish University Review** ,2005 **Stand** ,2001 *Contemporary Literary Criticism Annual Cumulative Title Index* ,1998
World Cultural Leaders of the Twentieth Century [2 Volumes] Jennifer L. Durham,Jennifer Durham
 Bass,2000-08-03 Profiles the lives and accomplishments of over 400 individuals whose contributions to literature art film dance music and theater helped shape international twentieth century culture **Studii de Limbi Și Literaturi Moderne** ,1994
