Why another Anxiety book? While there are plenty of books out there promising all kinds of wonderful remedies for anxiety, this book is different. This is a book rooted in the most recent scientific research on anxiety, designed to provide a clear route to recovery from anxiety. This book isn't a compilation of calm down and relax anecdotes, but rather a practical, realistic series of solutions to a sometimes crippling condition. In this book, you will find a series of stories, evidence based research and powerful techniques that will create a framework for your journey of relief and recovery from anxiety. For clarification, this book is not about the everyday fears and worries that make people nervous about life. This book is about the mental condition that causes you to bail on last minute plans, making excuses to stay at home where it feels safe and familiar. The panic attack that convinces you that death is imminent. The constant paranoia that tells you to cut all ties with people from the past so you don't have to explain your last meltdown.
