RE: Our job interview on 02/23/2022

Dear Ms. Lee,

Thank you very much for taking the time to meet me today to talk about the Lead UX/UI researcher role at Barnaby Soaps. I enjoyed learning more about the company's culture and values, as well as meeting some of the Product team members. Our meeting today made me especially glad that I applied for this position.

As discussed in the interview, I truly believe my 5+ years of experience working at SustainWood Industries prepared me to thrive as Barnaby Soaps's newest Lead UX/UI researcher. My time invested into prototype testing and user feature analysis seems immediately applicable to the role, and I'm confident that my leadership experience will be an asset to the company as well.

I also appreciate that Barnaby Soaps takes extra steps in creating 100% vegan, cruelty-free soaps while educating its users on the importance of healthy living and keeping our Earth clean. As someone who cares immensely about the environment and sustainability, I'm so thrilled that we got to speak together today — and that you shared so many insights with me about your views on the future of the company and how I might fit in if hired.

Again, thank you for your time, and I look forward to hearing from you regarding the next steps in the hiring process.

Sincerely,

Clayton Delvey

The Complete Idiot's Guide to Writing Well Laurie Rozakis, 2000-01-09 You're no idiot of course. You know how to tap out an email to your boss, scrawl a note to your sweetheart, even throw in an extra flourish when you sign a greeting card. But when it comes to really writing that excruciating process of transferring your thoughts to paper without inventing some strange new language, well, let's just say you think you lack the "write stuff." The written word was a great achievement in human history, don't give up on it just yet. *The Complete Idiot's Guide to Writing Well* is the writing book you've been waiting for: everything you need to know to make writing of any kind as easy as thinking or speaking. In this *Complete Idiot's Guide*, you'll get Expert advice on making your writing as clear, persuasive, and painless as possible, whether it's a thank-you note, a school paper, or an executive briefing. Easy-to-follow guidelines on a structure, spelling, punctuation, vocabulary, and style. No nonsense advice on figuring out the three hardest parts of any writing: the beginning, middle, and end.

A Modern Guide to Writing Thank-You Notes Heidi Bender, 2016-05-17 Writing thank-you notes is a wonderful, thoughtful, and elegant way to show someone your appreciation and gratitude. *A Modern Guide to Writing Thank-You Notes* will teach you how to craft a thank-you note with easy-to-follow instructions. Packed with over 400 examples, this guide will help you express your gratitude in a variety of situations, such as weddings, graduations, thanking your boss for a raise, after a job interview, your friends, family, coworkers, and the people in your community, even your pet sitter. This collection will inspire even the most seasoned thank-you note writer, and if you're new to thank-you note writing, this book will give you everything you need to get started. Praise: Modern technology allows us to be impersonal and distant. Heidi's book is an important reminder of the power of a simple written thank-you to strengthen our most important relationships. Dan Miller, New York Times bestselling author, *48 Days to the Work You Love*. Heidi's book is about a topic that is near and dear to my heart: my everyday life and, quite frankly, my wallet. The sheer number of relationships I have developed as a result of a simple note is uncountable. The amount of money they have made me is in the hundreds of thousands, if not millions of dollars. Not to mention they just make me feel good. Heidi's book is a must-read for anyone looking to leverage the power of a simple note with two simple words. Read it, and you will be forever changed. Apply the principles in this book, and you'll be amazed at the results. Matt McWilliams, Founder and President of Matt McWilliams Consulting Inc., mattmcwilliams.com. Heidi's book is an amazing guide to writing thank-you notes. With her vast examples and tips, you will be able to come up with wording for common thank-you note situations.
