That Bitch A Collection Of Short Stories:

That Bitch!!! Dominique Blaze,2010-01-01 Ever heard the saying Hell hath no fury like a woman scorned At some point in every woman s life she will meet a man fall in love and eventually get played Take a wild ride with me and these eight scorned women on a journey from heartache to revenge As you read these stories you may find yourself in familiar territory But let me forewarn you before you even THINK of trying any of these stunts at home DON T I repeat DO NOT try any of this at home This can get you messed up locked up six feet under or all three Bitch Planet: Triple Feature #1 Cheryl Lynn Eaton,Andrew Aydin,Conley Lyons,2017-06-14 DECONNICK DE LANDRO PRESENT THE TRIPLE FEATURE Ripped directly from the world of BITCH PLANET a crack team of creators spin three teeth clenching tales of rage revolution and ridicule PLUS Essays letter column and more 100% Grade A satire Accept no substitutes *Airpower in Literature* Kimberly K. Dougherty,2022-08-08 The first century of airpower has ended yet few critics have addressed the literature that chronicles its human toll *Airpower in Literature* Interrogating the Clean War 1915 2015 offers fresh insight into this airpower century by placing literature of five major wars in conversation with the clean war discourse Kimberly Dougherty examines the paradoxical representation of aerial warfare that has allowed extensive airstrikes on cities and civilians while promising a cleaner method of waging war First suggested by early military theorists the notion of a clean air war one that would save lives through its speed and precision proved seductive in the twentieth century and continues to shape the rhetoric of airpower today The air war is perceived as clean the author argues when we see neither the aviator nor the targeted populations in the bombing dynamic Through analysis of fiction poetry drama and journalism from the ruins of World War I to the technologies of post modern war the author identifies counternarratives that make visible both aviators and bombed societies and present aerial warfare that is not clean but messy prolonged and imprecise This exploration encourages readers and writers to approach the next century of airpower with greater wisdom and empathy *Book Notes Illustrated* ,1924
