That The World May Know Bearing Witness To Atrocity:

That the World May Know James Dawes,2007-09-30 How can we prevent future atrocities and stop the ones that are happening now This book tells the powerful story of the successes and failures of the modern human rights movement Drawing on firsthand accounts from fieldworkers around the world the book gives a painfully clear picture of the human cost of confronting inhumanity in our day

The Moral Witness Carolyn J. Dean,2019-04-15 The Moral Witness is the first cultural history of the witness to genocide in the West Carolyn J Dean shows how the witness became a protagonist of twentieth century moral culture by tracing the emergence of this figure in courtroom battles from the 1920s to the 1960s covering the Armenian genocide the Ukrainian pogroms the Soviet Gulag and the trial of Adolf Eichmann In these trials witness testimonies differentiated the crime of genocide from war crimes and began to form our understanding of modern political and cultural murder By the turn of the twentieth century the witness to genocide became a pervasive icon of suffering humanity and a symbol of western moral conscience Dean sheds new light on the recent global focus on survivors trauma Only by placing the moral witness in a longer historical trajectory she demonstrates can we understand how the stories we tell about survivor testimony have shaped both our past and contemporary moral culture

Theoretical Perspectives on Human Rights and Literature Elizabeth Swanson Goldberg,Alexandra Schultheis Moore,2013-03-01

What can literary theory reveal about discourses and practices of human rights and how can human rights frameworks help to make sense of literature How have human rights concerns shaped the literary marketplace and how can literature impact human rights concerns Essays in this volume theorize how both literature and reading literarily can shape understanding of human rights in productive ways Contributors to Theoretical Perspectives on Human Rights and Literature provide a shared history of modern literature and rights theorize how trauma ethics subjectivity and witnessing shape representations of human rights violations and claims in literary texts across a range of genres including poetry the novel graphic narrative short story testimonial and religious fables and consider a range of civil political social economic and cultural rights and their representations The authors reflect on the imperial and colonial histories of human rights as well as the cynical mobilization of human rights discourses in the name of war violence and repression at the same time they take seriously Gayatri Spivak s exhortation that human rights is something that we cannot not want exploring the central function of storytelling at the heart of all human rights claims discourses and policies

Poetry, Poetic Inquiry and Rwanda Laura Apol,2020-11-09 This book describes the practice of poetic inquiry and takes the reader through the process of translating lived experience into poetry that attends to the lives of others Using her own writing from early drafts to published poems Apol demonstrates elements of poetic inquiry that both give it strength and make it complicated the importance of craft the aesthetic the imperative of accuracy and reliability the investigative the significance of ethical responsibility that leads to action witness and the centrality of relational connectedness and accountability witness Apol raises questions about what it means for poems to

function as both research and art and illustrates what happens when there are irresolvable conflicts between the demands of the poem and a commitment to relationship Throughout Apol addresses her white privilege as well as the dominant white colonial narrative that often seeps into arts based work unless it is overtly and critically addressed The book goes beyond arts based research speaking as well to other forms of cross national cross cultural research It is a call for relational scholarship that moves toward action a heart rending teaching a post traumatic aesthetic map laid down with clear and poignant theory and praxis to extend serve and guide

Confronting the Silence and Creating a Shared Memory After

a Violent Past. A Case Study of Guatemala Diamond Johnny,2022-04-28 Document from the year 2025 in the subject Law European and International Law Intellectual Properties grade A language English abstract The 1960s to 1996 marked the putative end of Guatemala's 36 year internal armed conflict During the conflict an estimated 45 000 persons were detained and disappeared 200 000 were killed and over 1 000 000 persons were forcibly displaced 83% of the victims were Mayan indigenous and state forces conducted an estimated 93% of crimes of the conflict Commission for Historical Clarification 1999 To confront these atrocities societies and individuals must come to terms with them through collective memory Through the comparative case study of Rwanda Argentina and Guatemala it is demonstrated how collectively and individually remembering and telling the truth about unspeakable atrocities has played a central role in both official and personal efforts to reckon with the legacies of brutal dictatorships and to move forward toward democracy and healing Different groups have used various storytelling methods to negotiate and challenge collective memory in Guatemala These methods include oral history testimonies and visual arts such as murals and photography These methods have played a critical role in uncovering and documenting past atrocities and promoting healing and reconciliation among different communities

The Space of Disappearance Karen Elizabeth Bishop,2020 More than 30 000 people were

forcibly disappeared during the military dictatorship that governed Argentina from 1976 83 leaving behind a cultural landscape fractured by absence denial impunity and gaps in knowledge This book is about how these absences assume

narrative form in late twentieth century Argentine fiction and the formal strategies and structures authors have crafted to respond to the country's use of systematic disappearance as a mechanism of state terror. In incisive close readings of texts by Rodolfo Walsh, Julio Cortázar and Tomás Eloy Martínez, Karen Elizabeth Bishop looks at how techniques of dissimulation, doubling, displacement, suspension and embodiment come to serve both epistemological and ethical functions grounding new forms of historical knowledge and a new narrative commons whose work continues into the new millennium. Their writing, Bishop argues, recalibrates our understanding of the reciprocity between fiction and history. In the end, *The Space of Disappearance* asks us to look again at what we think we cannot see. For there in fiction at the limits of the literary, disappearance appears as a vital agent of resistance, storytelling and worldbuilding.

2009, 2010-06-15. Reviews are an important aspect of scholarly discussion because they help filter out which works are relevant in the yearly flood of publications and are thus influential in determining how a work is received. The IBR, published again since 1971 as an interdisciplinary international bibliography of reviews, it is a unique source of bibliographical information. The database contains entries on over 1.2 million book reviews of literature dealing primarily with the humanities and social sciences published in 6,820 mainly European scholarly journals. Reviews of more than 560,000 scholarly works are listed. The database increases every year by 60,000 entries. Every entry contains the following information: On the work reviewed, author, title, On the review, reviewer, periodical, year, edition, page, ISSN, language, subject area, in German, English, Italian, Publisher, address of journal.

Celebrity Colonialism Robert Clarke, 2009. *Celebrity Colonialism* brings together studies on an array of personalities, movements and events from the colonial era to the present and explores the intersection of discourses, formations and institutions that condition celebrity in colonial and postcolonial cultures. Across nineteen chapters, it examines the entanglements of fame and power, fame in colonial and postcolonial settings. Each chapter demonstrates the sometimes highly ambivalent roles played by famous personalities as endorsements and apologists for antagonists and challengers of colonial, imperial and postcolonial institutions and practices. And each in their way provides an insight into the complex set of meanings implied by the novel term 'celebrity colonialism'. The contributions to this collection demonstrate that celebrity provides a powerful lens for examining the nexus of discourses, institutions and practices associated with the dynamics of appropriation, domination, resistance and reconciliation that characterize colonial and postcolonial cultural politics. Taken together, the contributions to *Celebrity Colonialism* argue that the examination of celebrity promises to enrich our understanding of what colonialism was and more significantly what it has become.

[International Medieval Bibliography](#), 2008. Lists articles, notes and similar literature on medieval subjects in journals, Festschriften, conference proceedings and collected essays.
