Notes From Teachers To Students

Dear _____, Thank you for such an amazing gift. Your thoughtfulness and choice of gift are very generous and sweet. I will always cherish your dear sentiment behind this gift.

Thank you once again!

Thank you for this lovely gift dear _____. You are an exceptionally smart student, and your gift choice indicates that. I am touched by your humbleness and thoughtfulness, and I will cherish this gift forever.

I cannot thank you enough for this stunning gift. I appreciate your efforts to find something this special for me. I am grateful to be your teacher and recipient of your kindness. Thank you, dear child!

I am absolutely in awe of the beautiful gift you gave me for my birthday. How did you know I have been looking for this for a long time? I am delighted to have you as my student and wish you lots of luck for your future. Thank you for such an incredible gift.

You never fail to surprise me. I couldn't have asked for a better gift than you gave me. I cannot wait to use it!! You are an incredible student, and I am grateful to have you in my class this year. Thanks a ton for this wonderful gift.

The Language Teacher's Portfolio Jacqueline Davis, Terry A. Osborn, 2003-10-30 The Language Teachers s Portfolio A Guide for Professional Development is written for use by both preservice and inservice teachers It links elements of educational practice and theory that students of education frequently find difficult to assimilate in language teaching This text purposefully integrates material such as foundations of education educational psychology elements of planning and lesson preparation reflective teaching and classroom management issues into the reality of the language classroom Thus students of world language education are provided a holistic perspective of the challenges required to bring what may seem to be disjointed theoretical information into workable elements of classroom practice Teacher educators can utilize this text to guide students to use the portfolio as an assessment tool or a project for an instructional development class The material in te text is designed so that students are able to rely on the text to guide them in preparing many elements of a portfolio thus freeing educators to devote more classroom time to other topics It is also useful for programs that have a portfolio as an exit requirement and for teachers who plan to use the portfolio to document their professional development *Iml-Student Teaching* Meyer, Machado, 2004-05 **Resources in Education** ,1984 **Teacher Education Online** Marla J. Lohmann, Kathleen A. Boothe, 2025-09-04 This book offers teacher educators evidence based strategies and practical guidance for ensuring high quality instruction in the online classroom **Achieving Balance through Efficiency** Stephen Demeo, 2020-01-01 Those starting a career in teaching will put in an incredible amount of energy into their practice in order to learn their craft and become respected professionals In many cases however this energy is not enough to survive as a teacher Currently 1 in 5 new teachers will leave the profession after five years The purpose of this book is to improve the survivability of early career teachers by focusing on one key area Efficiency or what is referred to as Time Management This book will examine how teachers can become more efficient in their lesson and unit planning classroom organization assessment of their students how they interact with parents and even when they search and interview for a job Special emphasis is placed on one of the most challenging aspects of teaching classroom behavioral management The underlying basis for this book is a deep belief that successfully managing time will allow teachers to create a positive balance between one s professional and personal lives It is all too common to see time stressed and sleep exhausted teachers lose sight of the reasons they entered teaching eventually falling out of love with their subject and those they teach This book will tackle head on the demands that teachers face by posing many detailed practical solutions to time management problems in a variety of different contexts These solutions will not only come from the author s own experience preparing New York City science students for over 25 years but from researchers and veteran teachers and administrators who have published their findings and advice in leading educational journals It is time to stop procrastinating and draw upon your inner grit to create order routines and systems that can be used successfully in your teaching profession [The Special Educator's Guide to](#)
