**Power Interviews** Neil M. Yeager, Lee Hough, 1998-01-19

Interviewing in today's fiercely competitive job market can seem like walking through a minefield. New trends in corporate strategy and structure have led to dramatic changes in what employers look for in prospective employees and in the types of questions you will be asked during an interview. In this revised and expanded edition of their bestselling career guide, two experienced counselors share their inside knowledge and the expert advice of Fortune 500 recruiters to equip you with the interviewing skills you need to land the job. Here's where you'll find:

- The key characteristics that leading companies look for in prospective employees and how to project them.
- The fifty most frequently asked questions as well as detailed scripts of the best answers.
- The Power Prep Strategy practice sessions to perfect your interview techniques.
- Tips on positioning yourself during an interview.
- How to convey your added value.
- Strategies for power negotiating.
- Overcoming differences with an interviewer.
- Narrowing your job search and much more.

**Winning Job Interviews** Niesha Reveron, 2021-03-29 An interview provides the opportunity for the prospective employer to get to know you as a person and to verify that the skills and experiences stated in your resume are true. Assume that all the interviewees will have the necessary job qualifications. It's how you handle yourself during the interview that makes the difference that will result in a job offer. In today's competitive job market, you need to stand out for the right reasons. Canned interview answers won't work, nor will winging it. You need to be both authentic and strategic to convince the employer you're the one. Through proven interview tips and step-by-step instructions, this book will help you to communicate the unique strengths that make you the right person for the job. Realize why employers ask many of the most common interview questions and how to answer with confidence. Succeed with video interviews, behavioral interviews, and panels. Build an arsenal of success stories more than you think you have. Ace every step from the first screening to accepting the offer.

**10 Insider Secrets to a Winning Job Search** Todd Bermont, 2004-01-01 10 Insider Secrets to a Winning Job Search offers a complete step-by-step roadmap on how to get the job you want fast, even in tough times. This book will motivate you, increase your self-confidence, and show you how to sell yourself so companies want to hire you. You'll have an unfair advantage when searching for a job. Todd Bermont shares with you the secrets he has learned to find a job in any economy, secrets that he used to get six job offers his senior year of college, to land three job offers in one week during a recession, and to earn numerous job promotions since. Additionally, having also been a hiring manager, Todd gives you a behind-the-scenes look into the hiring process that will give you another unfair advantage. With this book, you'll develop and maintain a winning attitude throughout your job search. Convince companies to hire you, even when no positions are available. Write attention-grabbing resumes and cover letters. Network and market yourself to maximize your job opportunities. Be prepared for any job interview. Learn how to negotiate your job offers to receive top dollar.
