Witching Way Of The Hollow Hill:

The Witching Way of the Hollow Hill Robin Artisson, 2006-03 The Witching Way of the Hollow Hill is a book that acts as a traveler's guide to a deep and hidden country within each human being. Mystical traditions from all over the earth have discussed the ideas given in this work: the animistic worldview, spiritual communion with the dead, and the Unseen World, sorcery and magic. Author and traditional witch Robin Artisson explores these mythical and eldritch themes from the perspective of The Old Faiths and pre-Christian metaphysical impulses of Europe and the British Isles. Bringing a new perspective to these ancient practices and making them accessible to the dedicated modern seeker or practitioner, this book is a key to the door that leads into the mythical dimension at the heart of every human being, and every feature of the sacred landscape. It is a grimoire that has the power to help unlock the hidden messages in folklore, shed light on the enigma of the human being, and bring people back into the genuine experience of the wisdom of the Old Ways.
