## **Wjet Weekly Music Charts 1966:**

**Wjet Weekly Music Charts** Frank W. Hoffmann, 2015-06-30 WJET was a leading Top 40 AM radio outlet serving the Erie Pennsylvania market during the 1960s. This volume reproduces many of the station's pop music surveys from the 1960-1965 period. Also includes a concise thumbnail sketch of the station's evolution. Like the other radio charts titles my goal was to provide a convenient chronological compilation of weekly surveys with corrections of the considerable errors found in both the original sources and in translation to online sites. These radio charts which exist in the public domain can be found in a multitude of sources including original published sheets distributed via retail outlets mail inquiries etc notation of on air broadcasts back issues of area newspapers where stations are located and music trade periodicals specialized reference books and websites interested in historical documentation most notably Oldiesloon musicradio77 and ARSA I employed multiple sources in the compilation of each radio chart volume in order to provide the most accurate data possible. *Jet*
