Woman To Woman Preparing Yourself To Mentor:

Woman to Woman Edna Ellison, Tricia Scribner, 2011-04-20 Many Christian women have come to understand our biblical mandate for life on life discipleship of someone younger in the faith. Most women embrace this role though with at least some uncertainty about their ability to carry such a great responsibility. A biblically based personal study *Woman to Woman Preparing Yourself to Mentor* will guide a woman step by step through the process of readying herself for such a relationship. This study will help the mentor to be to evaluate her own gifts and how they can be used in mentoring to examine the different possible roles of a mentor to develop a plan for starting off the mentoring relationship in a positive way and to avoid the dangers that befall mentoring relationships.

Deeper Still Edna Ellison, 2006 Spiritual maturity may seem unattainable something that only a few saints acquire. Still many Christians earnestly want to go beyond the basics of Christianity and enjoy a courageous vibrant faith. *Deeper Still* is a sixweek interactive Bible study for believers who seek to be a deeper still Christian. The author explores biblical principles and models for recognizing the path to maturity and moving toward a closer walk with God. Believers who desire to grow in the areas of wisdom and holiness to live each day in the becoming as well as the doing of the Christian life will be challenged to go beyond the basics of Christianity to explore the biblical evidence of spiritual maturity in the Christian life.

Getting Back on Track Jo-Anna Culy,2016-12-05 Imagine a church where many of the needs of younger women are being met by trained older women It would not be a problem free church but it would be a healthy church where pastors are free to focus on their biblical responsibilities Although younger women need the guidance of godly older women more than ever older women remain the most untapped resource in the church today Some feel dispensable undervalued or overlooked Many simply don't understand the role God calls them to have with younger women or know how to fulfill it Getting Back on Track is an invitation to discover from Scripture what the role of the biblical mentor is and how God wants to use older women to help move younger women toward maturity in Christ It is solidly grounded in Scripture from beginning to end and is written for the older woman church leader or younger woman who aspires to be a godly older woman someday

Extraordinary Living! Andrea Jones Mullins,2001 The abundant life is available to any woman who knows Christ Yet caught up in the busyness of daily routines many Christian women have lost sight of the beautiful ways God wants to use us for His glory Rather than burdening readers with a long list of things to do for God so that we can be considered extraordinary Mullins stresses that extraordinary living is what God does through us when we make ourselves available In our workplaces our families and our busy lives God is waiting to do extraordinary things
