Triple Stack Crosswords:

Triple-Stack Crosswords Martin Ashwood-Smith,2012-04-03 Triple stack means triple solving goodness and a unique challenge for word lovers Each of these 72 daily sized puzzles features wide open grids with at least one set of three 15 letter answers stacked on top of each other This is one tough feat to accomplish but puzzle making genius Ashwood Smith makes it look easy In addition to the challenging triple stacking crossword mavens get tons of clever clues featuring all manner of wordplay On Crosswords T. Campbell,2013-05-01 On Crosswords covers three major interrelated topics crossword

history kinds of crosswords and how crosswords relate to everything else Everything else includes a breathtaking range of topics marriage proposals national politics software development counterespionage typography and racism are just some of the high points Readers will meet the personalities who have made the art form what it is today and discover the many subspecies of crossword each with its own personality And they will walk away with the most complete understanding of the form that any single book can give

10-Minute Crosswords Martin Ashwood-Smith,2005-06 Casual solvers will love this collection of 72 intriguing crosswords because it offers them something unique and totally original a new brilliantly conceived mix of the challenging and the attainable What makes the puzzles a little harder than usual They have what s called a wide open style which means the grids contain very few black squares and the answers tend to be long As a rule such puzzles delight only crossword mavens because the clues can be extremely difficult as in the Friday examples from the New York Times or Los Angeles Times But these puzzles break the mold with reader friendly clues that allow even non experts to complete an interesting crossword while having fun along the way There s nothing else like it

The New York Sun Crosswords #20 Peter Gordon,2009-02 What makes these crosswords from The New York Sun the best ever They re carefully edited so those obscure words that nobody actually uses are out and solving pleasure is in thanks to tricky clues and witty puns Most of the puzzles have clever and original themes that add to the fun The title hints at the topic Plus solvers will enjoy the wide range of difficulty which is indicated by the number of stars on top
