**Me the People** Kevin Bleyer, 2013-07-02 The United States Constitution promised a More Perfect Union It's a shame no one bothered to write a more perfect Constitution one that didn't trigger more than two centuries of arguments about what the darn thing actually says Until now Perfection is at hand A new improved Constitution is here And you are holding it But first some historical context In the eighteenth century a lawyer named James Madison gathered his friends in Philadelphia and over four long months wrote four short pages the Constitution of the United States of America Not bad In the nineteenth century a president named Abraham Lincoln freed an entire people from the flaws in that Constitution by signing the Emancipation Proclamation Pretty impressive And in the twentieth century a doctor at the Bethesda Naval Hospital delivered a baby but not just any baby Because in the twenty-first

century that baby would become a man that man would become a patriot and that patriot would rescue a country by single handedly rewriting that Constitution Why We think of our Constitution as the painstakingly designed blueprint drawn up by in Thomas Jefferson s words an assembly of demigods who laid the foundation for the sturdiest republic ever created The truth is it was no blueprint at all but an Etch A Sketch a haphazard series of blunders shaken clean and redrawn countless times during a summer of petty debates drunken ramblings and desperate compromise as much the product of an assembly of demigods as a confederacy of dunces No wonder George Washington wished it had been made more perfect No wonder Benjamin Franklin stomached it only with all its faults The Constitution they wrote is a hot mess For starters it doesn t mention slavery or democracy or even Facebook it plays favorites among the states it has typos smudges and misspellings and its Preamble its most famous passage was written by a man with a peg leg Which if you think about it gives our Constitution hardly a leg to stand on Pause for laughter Now stop laughing Because you hold in your hands no mere book but the most important document of our time Its creator Daily Show writer Kevin Bleyer paid every price bore every burden and saved every receipt in his quest to assure the salvation of our nation s founding charter He flew to Greece the birthplace of democracy He bused to Philly the home of independence He went toe to toe face to face with Scalia He added nightly confabs with James Madison to his daily consultations with Jon Stewart He tracked down not one but two John Hancocks to make his version twice as official He even read the Constitution of the United States So prepare yourselves fellow patriots for the most significant literary event of the twenty first twentieth nineteenth and latter part of the eighteenth centuries Me the People won t just form a More Perfect Union It will save America Praise for Me the People I would rather read a constitution written by Kevin Bleyer than by the sharpest minds in the country Jon Stewart Bleyer takes a red pencil to democracy s most hallowed laundry list Uproarious and fascinating Reader s Digest I knew James Madison James Madison was a friend of mine Mr Bleyer you are no James Madison But you sure are a heck of a lot more fun Pulitzer Prize winning historian Doris Kearns Goodwin author of the 1 New York Times bestseller Team of Rivals     *The Far Eastern Review* ,1930     **Digest of**
