world but it doesn't end there. They provide several services that enhance productivity and share information among Google users. This brings us to the question: what are Google apps? Google apps are a suite of platform-independent productivity applications. What this means is that they can be accessed on just about any device, platform, or operating system. Windows, Mac, mobile devices, Android, iOS, etc. allowing users to synchronize and integrate the services provided by these apps seamlessly. This means emails, calendars, contacts, files, and many more can be shared among different users in a collaborative environment. Some useful Google apps will be briefly discussed, including Gmail, Google Drive, Google Docs, Sheets, Forms, Slides, Drawings, and Google Site. Others include Google Collaboration, Google Keep, Google Calendar, Photos, Contacts, etc. Here is a preview of some of the things you will learn: Getting Started With Google Apps, Accessing Google Apps, Setting up a Google Drive Account, Creating folders, Docs and Sheets, Opening Google Docs From Google Drive, Opening Google Sheet From Google Drive, Opening Google Slides From Google Drive, Opening other apps through Google Drive, Sharing, Tagging, and Collaborating within Google Docs, Google Docs Mail, Collaboration, Voice Typing, and Lots More. Google My Business GMB is an essential tool for businesses today and for the future. Although Google My Business has been around for a long time, it has grown in its importance as more users use search engines to find information about a local business, even more so during the COVID 19 pandemic. Here is an excellent opportunity to learn how to use Google My Business to generate trust with your customers, increase customer expansion for your business, and help companies cash upon more ROI. Google My Business is a powerful tool that can transform how you drive customers to your local brick and mortar business and further develop trust with new and existing customers. If you have not claimed your business and/or optimized your profile recently on Google, there is no better time than the present. It has been reported that 46% of all Google searches are looking for local information. Many of those searches result in Zero Click Searches. Research shows that 92% of online buyers like to compare brands online before buying something. And most of them head to Google Search to find businesses they would like to purchase from. Additionally, 49% of all Google My Business listings get more than 1000 searches every month, while 96% of the listings are seen 25 times per month at least. 56% of the people who see your GMB listing will click through to your website, while another 24% will call your business directly. That is great news for businesses that want to survive and thrive despite the challenging economic conditions. Google My Business 3.0 This guide will discuss why your Google My Business listings are important for your local SEO strategy, as well as the process of creating and optimizing your listing and all the answers about utilizing this platform. All in all, it is jam-packed with information on how you can increase your visibility on Google and rank higher and drive more customers to your business. This ebook covers some of the following important features, including: What is the importance and benefits of having a Google My Business Listing in present times, Important Google My Business Covid 19 Updates, changes done by Google during the pandemic, An overview of Latest and awesome new Google My Business.
