Maybe It's About Time Neil Boss, 2022-08-30 Two people trapped in their different worlds One by wealth and one by poverty Twenty years working for The Firm has given Marcus Barlow everything he wants but has taken his soul in return Finding a way to leave has become an obsession Claire Halford's life hits rock bottom when she is caught stealing food from Tesco Express Left alone by her husband with two small children and an STI her suicide music is starting to play louder in her head A chance meeting brings them together As a mystery virus from China starts to run riot across the country their worlds collide and they find they have more in common than they knew Set in the early months of 2020 Maybe It's About Time is a story about the difficulty of changing lives for the better Starting as a funny and satirical view of the egocentric world of professional services it gives way to a heart warming story of an unlikely friendship that rejuvenates Marcus and Claire giving them both hope for a better future
