From the moment Amy found out her brother was running for the presidency of the United States she moved out of the family home and changed her last name She loved her brother but she didn't love the limelight All she wanted was freedom The freedom to live her life the way she wanted without being in the shadow of the Secret Service all the time Taking pictures was her passion and that's what she would do and no one would stand in her way Amy had taken a lot of great shots of the animals at the zoo but if one more person asked her if she had permission to be there she would scream She just about had her camera in focus when another zoo employee approached her He introduced himself as Dr Dallas Dixon and instead of being upset with her he wanted her to take some pictures of a gorilla who had just given birth but the baby wouldn't live It didn't take long for Amy to realize that Dallas was a shifter and silverback to his troop You're the silverback The leader to her I don't know how that works but you're a shifter Gorilla shifter and leader That's why that other man said that you could order her to do Christ oh mighty Oh fucking no She turned her entire body and looked at the man sitting not ten feet from her You are not telling me that you have it in your impossibly small mind that I'm whatever they call a silverback's mate are you No Don't answer that I don't need to nor do I want to know *The Customer Service Survival Kit* Richard S.

Gallagher,2013 The worst customer situations demand more of front line employees than good intentions and the right attitude These kinds of issues can send seasoned service professionals into red alert and require the communication skills of a crisis counselor The Customer Service Survival Kit explains how to use the right words to turn volatile scenarios into calm and productive customer encounters Anyone can learn this delicate art with the book's blend of clear techniques lessons from behavioral science case studies situation specific advice and practice exercises Readers will discover The power of leaning into criticism Trigger phrases that can make bad situations worse The secret to helping people feel deeply heard in a crisis How to use the divide and conquer approach to safely deliver bad news Indispensable problem solving tools How to become immune to intimidation How to wrap up transactions so that customers are happy And more Best yet learning to handle worst case scenarios has the spillover effect of boosting the skills and confidence needed to deal effectively with ANY customer the key to radical improvements in every organization
