Guidelines For Customer Service Melony Wardrup,2021-07-13 Customer service is one of the most important elements of any business from hospitality to manufacturing to delivery of goods On every layer there is a customer of some sort even within a company In business we are either the customer or servicing customers And with all the moving parts of a business the customers can be forgotten This book would be a very good addition for anyone doing business It's about how to run and sustain a successful business This book is not just for the companies that are struggling and are on the brink of closing This book is also for successful companies that are doing well but could be doing even better This book is for one person operations or businesses with 1000+ employees From the brick and mortar business to the digital business It doesn't matter the business type because treating customers is the same for every business Make Me Feel Special! Bob 'Idea Man' Hooey,2018-11-26 Business success whether retail service based or even direct buyer connection is built by establishing mutually profitable relationships relationships where you make the customer/client feel special When you Make ME Feel Special you enhance your chances to convert me from a one time customer to a raving fan and long term profitable client and avid champion You make money in business when you are in face to face or phone to phone sales service or follow up contact with your clients You earn that money by delivering on what you contract and you leverage that money by maintaining good client contact and ongoing superior service But first you need to be and/or keep in contact with them Keep in touch treat them special and they will come back and bring their friends and colleagues too Idea rich customer service is a skillful blend of all three with a focus on making your clients feel special Working to create an idea rich customer service based client centered culture will pay top dividends for years to come Ever wondered why the top performing business owners and sales superstars sell so much better and make so much more money than their counterparts Plus they seem to do it so much easier too Their secret is in how they visualize and more effectively approach everyone which results in such higher levels of success with their prospective clients They see clients vs customers walk into their locations and act accordingly They see clients when they pick up the phone or walk into an office or boardroom They see clients when there is a concern or something that needs to be fixed or replaced and they act with a long term view They see clients who become raving fans and champions for them One of the secrets to business or selling success is to maximize each client relationship by ensuring you demonstrate your genuine commitment to helping them not just selling them That mental shift is reinforced when you think of them as valued clients not just customers The end result is they will buy from you again and encourage their friends and contacts to follow their lead in selecting you to serve them People love to buy but hate being sold Customer service is a proven success tool for top performing professionals business owners and champion sales people Canada's Ideaman Bob Hooey partners with committed leaders and organizations to equip and motivate profitable growth and enhanced success He
