Heflin, Madonna Harrington Meyer, 2025-09-05

While food insecurity among households with children often makes the headlines a quieter issue that receives much less attention is the food insecurity faced by older adults In 2023 over nine percent of Americans age sixty and older were food insecure Without policy intervention that number is only expected to grow as the U S population continues to age In Food for Thought social policy scholar Colleen M Heflin and sociologist Madonna Harrington Meyer illuminate the challenges faced by food insecure older adults Through analysis of national data sets and interviews with lower income older adults Heflin and Harrington Meyer describe why many older adults do not have enough money to afford food and other essentials As a result of chronic economic disadvantage food insecure older adults are often forced to make budget trade offs between food and other expenses In these trade offs food typically ranks below housing and energy costs and competes with other household bills such as medical costs transportation and phone and internet coverage While finances play a large role nonfinancial factors such as poor physical cognitive and mental health access to healthy food and transportation challenges also contribute to food insecurity in old age In the face of these difficulties food insecure older adults may go hungry skip meals or eat unhealthy foods to help make ends meet While SNAP and community based programs such as food pantries and home delivered meals are intended to help address the issue of food insecurity they are typically inadequate to address the needs of food insecure older adults SNAP has enrollment and maintenance procedures that are particularly difficult for older adults to navigate pays out an insufficient amount of money to cover food costs and varies greatly by state Availability of community programs varies by municipality often lacks nutritious foods that are complementary to health conditions common among older adults and can be difficult to access due to a lack of reliable transportation disability or cost Heflin and Harrington Meyer advocate for addressing all the issues that increase older adults risk of food insecurity not just financial barriers They suggest updating food insecurity screening tools to include these factors increasing SNAP benefits and income support for older adults and other policies to help combat food insecurity in older adults Food for Thought highlights the increasingly important issue of food insecurity in old age and lays bare the overlooked challenges faced by food insecure older adults *Sustainable Finance for Returns and Impact* Matthew Dearth, James Cheo, 2026-01-20 Mobilizing capital to achieve investment returns while making the world a better place sounds like a good idea but is this possible And if so why

aren't more companies and investors already doing it Unlike existing works that focus narrowly on single stakeholder groups Sustainable Investing For Profit and Impact by Dr Matthew Dearth and James Cheo offers a well rounded examination of the entire ecosystem from companies and investors to governments Designed like a liberal arts course in finance the book emphasizes the critical thinking required to make sense of challenges to capital allocation making it accessible to both newcomers and experienced professionals Interspersed throughout the text are findings from academic research as well as interviews with leading practitioners from major financial institutions exchanges and international organizations The book includes sections on environmental social and governance challenges corporate measurement and disclosure practices government regulation and carbon pricing mechanisms popular sustainable investing strategies including impact investing and practical portfolio construction guidance for individual and professional investors Examples are drawn from markets around the world including a uniquely Asian point of view absent from other books on the topic Combining academic foundations with real world applications Sustainable Investing For Profit and Impact provides readers with the holistic perspective necessary to navigate the rapidly evolving sustainable finance landscape It serves as an essential resource for students professionals and policymakers seeking to understand how sustainability considerations are reshaping modern corporate behavior investment practice and regulation **Congressional Record** United States.
