STARFLEET COMMAND

VOLUME II

EMPIRES AT WAR

A futuristic, multi-colored space station or city complex with a hexagonal grid background. The structure is composed of various metallic and translucent components, including a large circular platform on the left, a central tower with a glowing core, and several smaller modules and walkways. The colors range from deep blues and purples to bright yellows and reds, creating a vibrant and dynamic visual effect. The hexagonal grid background provides a geometric contrast to the organic, complex shapes of the structure.
