*The Religions of Man* Huston Smith, 1958 Here is a unique study of the world's great religions Hinduism Buddhism Confucianism Taoism Islam Judaism and Christianity It is not a history it is not a critique Instead it explains simply and sympathetically the basic tenets of each religion and the reasons why it attracts millions of devout followers As the author writes in the first chapter This is a book about religion that exists not as a dull habit but as an acute fever It is about religion alive And whenever religion comes to life it displays a startling quality it takes over All else while not silenced becomes subdued and thrown without contest into a supporting role Thoroughly researched THE RELIGIONS OF MAN carries its scholarship lightly It is a dependable informative fascinating presentation of both the differences and similarities in the major religious traditions And it is essential for anyone who would understand peoples of other lands other cultures other religions

facts has been looked upon as important as to present them One of the main problems with students is to prevent the confusion which results from presenting great quantities of material which they are not prepared to assimilate and make use of intelligently An introductory chapter on The Nature of Religion has been included No doubt such a subject can only be handled with satisfaction in a volume devoted to its consideration but even a rapid survey as is presented here may introduce the student to the subject in such a manner as to make far more intelligible than would otherwise be possible the studies of religions which follow The historical method is adhered to throughout About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Top Books of the Year The Religions Of Man The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. The Religions Of Man : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
