The Replacement Bride:

The Replacement Bride Cynthia Woolf, 2016 Jesse Donovan spent the last four years chasing gold hoping to convince his New York fiancée to join him. He's now rich, successful, and eager for his wife to be to make the trip out west. But the New York socialite informs him of her intention to marry another. Heartbroken and lonely, Jesse contacts Matchmaker Co for a mail order bride. Clarissa Clare Griggs is the eldest daughter of a poor farmer who is barely surviving off the land. At age twenty-three, she is an old maid and a burden on her family. Clare knows what love looks like and she wants a family of her own. Volunteering as a mail order bride seems to be the perfect answer to her dilemma. But Hope's Crossing isn't the ideal location that Jesse and Clare dreamed. A bitter rival is trying to kill Jesse and take his mine. Jesse's broken heart won't allow him to love Clare the way she needs. Clare refuses to live with a man who doesn't love her. *The Replacement Bride* R. R. Nigh, 2025-11 A ruthless heir. A forbidden passion. A marriage forged in lies and fire. Nicoletta Di Rienzo never imagined returning to New York like this, standing in for her missing sister on the day of her wedding to Gianfrancesco Frankie Calzavarra, the merciless heir to the Dalla Porta crime family. With her mother's life at stake, Nico has no choice but to take her sister's vows and enter a marriage built on deception. But Frankie isn't fooled. Not for a moment. Instead of exposing her, he claims her determined to punish, possess, and bend her to his will. To the world, they are husband and wife. Behind closed doors, every kiss is a threat, every touch a test, every moment a dangerous temptation that pushes Nico closer to surrender. As she hunts for the truth behind her sister's disappearance and her father's murder, Nico realizes she may not survive the game she's playing. Because the greatest danger of all isn't losing her freedom. It's losing her heart to the enemy. *The Replacement Bride* is a dark, steamy mafia romance where every lie is deadly, every kiss a threat, and every touch a temptation. Second in the *Endangered Brides* series, where every bride is beautiful, bold, and bound to the wrong man until she makes him hers. *Enemies to Lovers*, *Forced Vows*, *Stolen Bride*, *Marriage of Convenience*, *with Heat*, *Hate*, *Obsession*, *Forbidden Desire*, *Family Betrayals*, *Deadly Secrets*. Adam never expected to be a single father overnight, but a marriage of convenience with his best friend may turn into the forever he never saw coming. Ray has sworn off love after tragedy until a brave veterinarian with a haunted past makes him believe again. And Nick, the maverick tech genius, will stop at nothing to protect the only woman he's ever loved when her violent ex resurfaces. Army-Navy-Air Force Register and Defense Times ,1928 *Americanizing the West* Frank Van Nuys,2002 The arrival of immigrants on America s shores has always posed a singular problem once they are here how are these diverse peoples to be transformed into Americans The Americanization movement of the 1910s and 1920s addressed this challenge by seeking to train immigrants for citizenship representing a key element of the Progressives search for order in a modernizing America Frank Van Nuys examines for the first time how this movement in an effort to help integrate an unruly West into the emerging national system was forced to reconcile the myth of rugged individualism with the demands of a planned society In an era convulsed by world war and socialist revolution the Americanization movement was especially concerned about the susceptibility of immigrants to un American propaganda and union agitation As Van Nuys convincingly demonstrates this applied as much to immigrants in the urbanizing and industrializing West as it did to those occupying the

ethnic enclaves of cities in the East In Americanizing the West he tells how hundreds of bureaucrats educators employers and reformers participated in this movement by developing adult immigrant education programs and how these attempts contributed more toward bureaucratizing the West than it did to turning immigrants into productive citizens He deftly ties this history to broader national developments and shows how Westerners brought distinctive approaches to Americanization to accommodate and preserve their own sense of history and identity Van Nuys shows that although racism and social control agendas permeated Americanization efforts in the West Americanizers sustained their faith in education as a powerful force in transforming immigrants into productive citizens He also shows how some westerners especially in California believed they faced a racial frontier unlike other parts of the country in light of the influx of Hispanics and Asians so that westerners became major players in the crafting of not only American identity but also immigration policies The mystique of the white pioneer past still maintains a powerful hold on ideas of American identity and we still deal with many of these issues through laws and propositions targeting immigrants and alien workers Americanizing the West makes a clear case for regional distinctiveness in this citizenship program and puts current headlines in perspective by showing how it helped make the West what it is today *The Iowa Alumnus* ,1919 *The Socialist Review* ,1909 *Bulletin of the Public Library of the City of Boston* ...
