The Ways of the Sages and the Way of the World Marcus van Loopik,1991 **Sages, Saints & Kings of Ancient India**

Swami B. B. Tirtha Maharaja,2023-03-07 The people of ancient times were inclined to give their attention not only to the external world of inert matter but also to the world within the vital world of consciousness Those sages who understood the importance of such contemplation comprise the prime subject matter of this book Especially in the troubled world of today it is by the conscientious study of their activities and teachings that we may come to understand the Absolute Truth or the Ultimate Reality and attain lasting peace and joy The pastimes of such great sagely personalities have been narrated in detail in an ancient collection of works known as the Puranas as well as in timeless epics such as the Mahabharata Ramayana and other Vedic literatures In this book Srila Bhakti Ballabha Tirtha Goswami Maharaja a bona fide self realized representative of the bhakti devotional lineage has narrated important episodes and addressed salient points from these literatures Thus the avid reader may understand their inner meaning and apply this knowledge to their search for real happiness Ultimately such unadulterated permanent happiness according to the devotional tradition is realized as the attainment of pure love of God Sri Krishna *The World's Sages, Infidels and Thinkers, Being Biographical Sketches, Etc. Self Awakening through Shiva Consciousness Dr Manaswini Rath,2022-02-07

WHAT IF YOU could live in peace every moment of your life What if you could manifest the best reality in your life every day What if you could feel contained and live in a state of ecstasy every second What if stories answer the spiritual queries you have been living with all these years What if you get answers to social rituals that you have been forced to perform but do not understand Will you be interested in unravelling the secret The secret lies in a wonderful journey to the Universal Source of Creation The journey answers your questions and clarifies your doubts We know mythological stories related to Lord Shiva and his life We classify them as stories and do not relate them to our life This book associates the stories with our life and allows us to learn and apply the teachings to our day to day life Through this knowledge and wisdom we are self awakened and our consciousness is uplifted The journey begins with the TRUST that the knowledge and awareness of these truths will lift and shift the reality of our life Trust that the journey is easy and enjoyable Trust that happiness joy bliss and containment is yours and you can achieve it through wisdom
