The Road To Eternal Life:

The Road to Eternal Life United Church of God, 2010-09-03 Do you believe in many roads to salvation When you think about establishing a relationship with God what comes to mind Do you know what the Bible reveals on this subject Notice what Jesus Christ Himself has to say No one can come to Me unless the Father who sent Me draws him and I will raise him up at the last day John 6 44 God starts this relationship process and you must choose to accept or reject His calling when offered If you accept you have a definite process to follow that He clearly reveals in the Bible What is that process 1 After God calls you repentance is the starting point in your relationship with Him Without repentance you are cut off from God 2 After you repent your next step is water baptism a primary principle of Jesus Christ Hebrews 6 1 2 3 The next step on your road to eternal life is to receive God s Holy Spirit which comes through laying on of hands as described in Hebrews 6 2 If God is calling you will you respond Inside the Bible Study aid ebook The Road to Eternal Life we will examine the Scriptures and look at the steps you must take to respond to God s calling Start your journey on the only road to eternal life and be part of the awesome future God has planned for you Chapters in this ebook Introduction The Road to Eternal Life Repentance Your First Step Jesus and His Apostles Affirm the Need to Obey God s Commandments Grace Works and Obedience The Crucial Role of Faith Water Baptism and Laying On of Hands Should Children Be Baptized Should We Want to Be Baptized With Fire Forgiveness of Sin Staying the Course We re Baptized Into a Spiritual Body Inside this Bible Study Aid ebook The Bible describes repentance as a profound realization of our sins and resulting sorrow that leads us to change our thoughts and actions 2 Corinthians 7 10 To some the change God wants in us can appear so overwhelming that repentance and conversion to God s way of thinking seem impossible And that s the point Without God s help they are impossible Overcoming our habitual sins and selfish nature does not happen instantly It is a lifelong process often involving great effort The symbolic meaning of baptism then is profound It represents both forgiveness of sins and newness of life in Christ No matter what our background or past mistakes when we genuinely repent and are baptized God promises complete forgiveness Living God s way must always remain our priority We must continually seek first the kingdom of God and His righteousness Matthew 6 33

The Road to Eternal Life Michael Casey, 2011 In the Prologue of his Rule St Benedict maps out the road that leads to heaven he lays the foundation for life in a community that seeks God The themes that are present throughout the Rule obedience humility prayer fear of the Lord eternal life are grounded in the Prologue By reflecting on the Prologue one verse at a time Michael Casey OCSO delves into the richness of meaning that can be found in Benedict s words These reflections first given as talks and made available on his community s web site build a bridge between the sixth century text and twenty first century Christians In The Road to Eternal Life Casey invites readers to reflect on the Prologue in light of their own experiences to seek the road that leads to salvation Michael Casey OCSO has been a monk of Tarrawarra Abbey Australia since 1960 After completing a degree in Scripture at Leuven he received his doctorate from Melbourne College of Divinity for

a study of desire for God in the writings of Bernard of Clairvaux For the past decades he has been engaged in exploring different aspects of monastic spirituality writing and giving conferences throughout the English speaking monastic world His books include Strangers to the City Paraclete Press 2005 A Guide to Living in the Truth Liguori 2001 and Sacred Reading Liguori 1996 *Road to Eternal Life* Dr. Quinton B. Richmond, 2013-09-17 This book was written to help all born again Christians to believe that Eternal Life begins in our present life on earth and continue on into the World of Eternity It is designed to impress on the minds of all humankind that those who are considered their enemies will respond and repay them in kindness as a friend Accordingly the chosen subject The Road to Eternal Life was selected in order to broaden my knowledge and understanding of Christian believers concepts as to why Eternal Life can be lived in our present day journey on earth and it is a viable truth in Gods plan of salvation Also this research is devoted to find out what concepts theories and beliefs already exist in this area In addition my goal was to read and understand the history why Jesus Christs teachings are the Way the Truth and Everlasting Life for all who repent of sins and believe His Gospel In addition my purpose is with the intent to gain a new perspective and pursue efforts to add new thoughts and ideas and to strengthen prior ones in relation to the Kingdom of God which concerns the future and the End of Time Furthermore to pursue efforts in detailed reviews of other book data that contain ideas concepts and key theories of biblical opinions of Gods Eternal Life Plan Then analyze and evaluate these sources information and evidence used in their conclusion Likewise consider the values of other source ideas theories concepts practices that are useful in todays religious culture Similarly there is the desire to pursue creative innovations efforts which set forth new theories never before revealed on the subject of Eternal Life In addition my efforts are directed to provide accepted meaning and strength and theories that already exist Likewise the primary design of this research is 1 to determine what claims are made by major sources in traditional work 2 to determine if these prior sources actually report viable data and evaluate and assess the validity of their arguments given for rejection acceptance of Eternal Life 3 to determine what ideas theories and practices are based on inductive and deductive practices

The Road to Eternal Life Robert Ridings, 2016-10-06 The subject of this book is taken from Matthew 7 13 14 Enter through the narrow gate For wide is the gate and broad is the road that leads to destruction and many enter through it But small is the gate and narrow the road that leads to life and only a few find it Explained in this book is how we find the narrow road traveling the narrow road and life on the narrow road Seven reasons are given explaining why people choose to walk the broad road to destruction instead of choosing the narrow road to life and these reasons all have their origin in Satan s lies Christ said He Satan was a murderer from the beginning not holding to the truth for there is no truth in him When he lies he speaks his native language for he is a liar and the father of lies John 8 44 Many people are walking the broad road believing Satan s lies and falsely believe they have eternal life with God And no wonder for Satan himself masquerades as an angel of light 2 Corinthians 11 14 This book brings the truth of how we must be redeemed to God before we can have eternal life in heaven

Described is the fulfilling life achieved when we walk the narrow road a life of peace joy with a heart of love that overcomes fear Satan does not want us living with peace and joy from God so his goal is to fill us with fear leading to anxiety and worry Christ said The thief comes only to steal and kill and destroy I have come that they may have life and have it to the full John 10:10 We will believe whatever we choose to justify and we can justify anything if we think about it long enough Our belief can never change the truth so as you read this book open your heart to the truth and choose wisely

The Road to Eternal Life David Treybig, 1996 *The Road to Eternal Life* Michael Casey, 2012-09-01 In the Prologue of his Rule St Benedict maps out the road that leads to heaven he lays the foundation for life in a community that seeks God The themes that are present throughout the Rule obedience humility prayer fear of the Lord eternal life are grounded in the Prologue By

reflecting on the Prologue one verse at a time Michael Casey OCSO delves into the richness of meaning that can be found in Benedict's words These reflections first given as talks and made available on his community's web site build a bridge between the sixth century text and twenty first century Christians In *The Road to Eternal Life* Casey invites readers to reflect on the Prologue in light of their own experiences to seek the road that leads to salvation

Daily Devotions Joyce Tracy, 2012-11 *To Obtain an Overcoming Life* is a series of devotions on how to overcome the negative traits and behaviors in our life such as fear pride temptation finding fault jealousy making excuses rebellion and self or selfishness These are very important and valuable as they teach us how to obtain the power to live a victorious life in Christ Jesus It begins with self for unless we can overcome self we won't be able to overcome other negative traits as all hinge on self There are devotions on making right choices and how to set goals and priorities about attitudes and faith having a continuous praise in our heart to the Lord and how to obtain our final reward in heaven thus the *Road to Eternal Life* As we strive for the Kingdom we have mountains to climb and valleys to cross we're faced with hills and barriers and each step has a new name They are there to keep us out of Heaven's territory We must over come and step over failures and past failures handicaps of every kind peer pressure fear anger and defeat Approximately two thirds of Jesus teachings were in parables A parable is an earthly story with a spiritual or heavenly meaning teaching Christian morals principles and values Many of these devotions will be based on some of these parables

Sheets,2016-10-23 While I have worked on this project for two years about halfway through I told my pastor that I felt like I was taking on the whole John 3 16 Christian culture While I have never believed that at the moment of belief or surrender we receive the keys to the kingdom I have come to the understanding that Jesus is telling Nicodemus who He is and what He is going to do at His second coming He takes care of the sin problem and shows that He has the power over the death in His first coming initiates the age of true righteousness and sets the stage for His second coming It is at this time that He lifts the curse and completes the promise made to Abraham reveals who the children of God are and establishes His kingdom here on this earth On that Day the dead in Christ will come out of the grave and meet Him in the air We have a choice of whether to believe that Jesus completes the work of salvation at His first coming or His second coming There are so many scriptures that place the complete work of salvation at His second coming that I find it difficult to believe that He completes this work at His first coming It comes down to mankind s desire for instant gratification In Luke 9 there is a passage where Jesus before He picks up His cross once and for all time talks specifically about who He is and what He has come to do at his first coming In that passage he tells His disciples that they too along with all those who choose to follow Him must pick up their cross daily This does not appeal to the instant gratification crowd but it is where faith begins Where our faith journey begins determines where our journey will end **The Road to Eternal Life** James Hooker,1926 *The Road to God* Wilfred Monod,1928

The road to eternal life and to resurrection from death, after death , *Biblical Theology of Life in the New Testament* Francois P. Viljoen,Albert J. Coetsee,2021-11-30 This publication deals with A Biblical Theology of Life based on the New Testament It forms the second of a two volume publication on A Biblical Theology of Life These two volumes trace the concept of life throughout Protestant canon working with the final form of the biblical books in Hebrew vol 5 and Greek vol 6 Scripture This is done by providing the reader with a book by book overview of this concept This book concludes with a final chapter synthesising the findings of the respective investigations of the Old and New Testament corpora in order to provide a summative theological perspective of the development of the concept through Scripture It is clear that life forms a central and continuous theme throughout the Biblical text The theme begins with the living God that creates life but is

shortly followed by death that threatens life Despite this threat God sustains life and awakens life from death The text concludes with the consummation depicting eternal life in the new heaven and earth The biblical theological approach that has been taken entails a thematic approach as it investigates the concept of life with contextual foci on what individual books of Scripture teach about life joined diachronically with an investigation of the progressive use of the concept of life in Scripture while providing a theology of Scripture as a whole investigating the concept of life in all sixty six books of the Protestant canon
