Thomas Merton Opening The Bible:

Opening the Bible Thomas Merton,1986 This book is to consider some of the special ques tions and problems which surround the Bible itself a book for which all blurbs are impossible **Thomas Merton: Opening the Bible** Thomas Merton,2024-06-08 A short but profound presentation of the demands and purposes of God s Word it is written with such effective technique that the reader will be impelled to further study of the Bible **The 'Bible' of Thomas Merton** Anthony Purvis,2014 **Thomas Merton on Mysticism** Raymond Bailey,1975 Originally presented as the author s thesis Southern Baptist Theological Seminary Louisville Includes bibliographical references **Kierkegaard's Influence on Theology** Jon Stewart,2012 Tome III explores the reception of Kierkegaard s thought in the Catholic and Jewish theological traditions In the 1920s Kierkegaard s intellectual and spiritual legacy became widely discussed in the Catholic Hochland Circle whose members included Theodor Haecker Romano Guardini Alois Dempf and Peter Wust Another key figure of the mid war years was the prolific Jesuit author Erich Przywara The second part of Tome III focuses on the reception of Kierkegaard s thought in the Jewish theological tradition introducing the reader to authors who significantly shaped Jewish religious thought both in the United States and in Israel *Imaginative Preaching* Geoff New,2015-10-14 From generation to generation there has been an anguished cry from preachers about preaching there is no imagination The Scriptures present the wondrous hope and vision of Kingdom Come and yet contemporary preaching can often be mute and blind by comparison This book explores what is possible when the Scripture to be preached is prayed through the agency of two ancient prayer disciplines lectio divina and Ignatian Gospel Contemplation Through the experiences of eight vocational pastor preachers this study tracks the difficulties discoveries and delights as they commit to utilizing these prayer disciplines as part of their regular sermon preparation The reader will be orientated to what a biblical imagination entails and how praying the Scriptures affects the preacher sermon and listener Careful explanation of how to pray using lectio divina and Ignatian Gospel Contemplation is included This work is in places a raw examination of the forces that regularly conspire against the preacher as they endeavour to faithfully expound the Scriptures The study is a rousing exclamation of the joy experienced when a preacher s imagination and their preparation is formed by the Spirit bringing the Scriptures to bear on all who speak and hear it

Thomas Merton and the Inclusive Imagination Ross Labrie,2001 In Thomas Merton and the Inclusive Imagination Ross Labrie reveals the breadth of Merton s intellectual reach by taking an original and systematic look at Merton s thought which is generally regarded as eclectic and unsystematic *A Monastic Introduction to Sacred Scripture* Thomas Merton,2022-10-27 Thomas Merton gave numerous conferences during his decade 1955 1965 as novice master at the Cistercian Abbey of Gethsemani In A Monastic Introduction to Sacred Scripture Patrick F O Connell presents one of these a wide ranging introduction to biblical studies Drawing on church tradition teaching of recent papal documents and scholarly resources of the time Merton reveals the central importance of the Scriptures for the spiritual growth of his listeners For

Merton at the heart of any meaningful reading of the Scriptures not only for monks but for all Christians is the invitation to respond not just intellectually but with the whole self to recognize the gospel as good news as a saving liberating consoling challenging word reflecting his fundamental belief that the Holy Spirit enlightens us in our reading to see how our own lives are part of these great mysteries how we are one with Jesus in them O Connell s extensive introduction situates this reflection in the context of Merton s evolving engagement with the Bible from his own days as a student monk through the mature reflections from his final years on the biblical renewal in the wake of the Second Vatican Council   Shaping the Journey Daniel Ethan Harris,2025-08-21 How do the theological impulses of evangelical pietism and contemplative monasticism converge in the modern spiritual formation movement Shaping the Journey brings John Wesley and Thomas Merton into critical dialogue examining their distinct yet complementary contributions to Christian spirituality With Wesleyan evangelicalism as a thesis and Mertonian monasticism as antithesis this study argues that the spiritual formation movement represents a meaningful synthesis of these traditions Central to this synthesis is the work of M Robert Mulholland Jr whose integrative vision of spiritual formation clearly reflects the influences of Wesley and Merton and the evangelical and monastic traditions they represent Engaging history theology and spirituality this work offers a vital resource for understanding the roots and trajectory of Christian spiritual formation   Thomas Merton Marquita Breit,Robert E. Daggy,1986   Disturbing Divine Behavior Eric A. Seibert, How should we understand biblical texts where God is depicted as acting irrationally violently or destructively If we distance ourselves from disturbing portrayals of God how should we understand the authority of Scripture How does the often wrathful God portrayed in the Old Testament relate to the God of love proclaimed in the New Testament Is that contrast even accurate Disturbing Divine Behavior addresses these perennially vexing questions for the student of the Bible Eric A Seibert calls for an engaged and discerning reading of the Old Testament that distinguishes the particular literary and theological goals achieved through narrative characterizations of God from the rich understanding of the divine to which the Old Testament as a whole points Providing illuminating reflections on theological reading as well this book will be a welcome resource for any readers who puzzle over disturbing representations of God in the Bible   Key Theological Thinkers Ståle Johannes Kristiansen,Svein Rise,2013 This unique anthology presents contributions from leading contemporary theologians including Rowan Williams Fergus Kerr Aidan Nichols G R Evans and Tracey Rowland who offer portraits of over fifty key theological thinkers in the modern and postmodern era This anthology spans arguably one of the most creative periods in the history of Christian theology and includes thinkers from all three Christian traditions protestant catholic and orthodox Each portrait in this anthology includes a biographical introduction an overview of theological or philosophical writing presentation of key thoughts and contextual placing of the thinker within 20th Century religious discourse   Thomas Merton's Shared Contemplation Daniel J. Adams,1979   **Merton's Theology of Prayer** John J Higgins,1971   **Inner Development** Cris Popenoe,1979   **Spiritual Exercises for Couch Potatoes**

Kathy Callahan-Howell,1997   The Publishers' Trade List Annual ,1984   **Merton and Judaism** Edward K. Kaplan,2003
Contributors to this volume present Thomas Merton as making a significant opening to reverent appreciation of past and
present Judaism as he aspires to be or claims to be a true Jew under my Catholic skin   Liguorian ,1973   The American
Ecclesiastical Review Herman Joseph Heuser,1962
