Three Strikes Against Her

Richard V. Shriver

Three Strikes Against Her:

The Return of Gabriel Richard V. Shriver, 2005-11 This collection of letters is a continuation of my earlier collection The Gabriel Letters I stumbled on the idea of writing imagined letters from an archangel advising a young guardian while reading an introduction to C S Lewis Screwtape Letters It has been a marvelous way perhaps delusional of standing back and imagining that I can see the world through angel eyes The amazing result for me has been a sense of objectivity and good will The intended purpose of the letters is to apply to all things the idea of God s complete love self sacrificing eternal parent like love This idea is the center of Christianity It is Jesus message and it is St Paul s good news If we desire to be Christian we should begin it seems to me by attempting to apply Jesus teachings to all things to our behavior to our human relationships especially family to our work and our business dealings to the way we run our churches and to the way we study the scriptures If we take Jesus seriously we must reevaluate much of the Bible the parts which are not specifically the teachings of Jesus Jesus Himself questioned much of the scriptures These letters cover a variety of subjects many of them Biblical Some Biblical passages need correction in light of Jesus ideas Some Biblical passages are so marvelous that we need to lift them to the sky and shout Look at this Some Biblical passages are confusing and we need to wrestle with them But in all we should be trying to see them through Jesus eyes To see through Jesus eyes is I suspect what the true Gabriel wants and it is the intent of this book Richard V Shriver *Idioms in the News - 1,000 Phrases, Real Examples* , , Her Honor

LaDoris Hazzard Cordell, 2021-10-26 In Her Honor Judge LaDoris Hazzard Cordell provides a rare and thought provoking insider account of our legal system sharing vivid stories of the cases that came through her courtroom and revealing the strengths flaws and much needed changes within our courts Judge Cordell the first African American woman to sit on the Superior Court of Northern California knows firsthand how prejudice has permeated our legal system And yet she believes in the system From ending school segregation to legalizing same sex marriage its progress relies on legal professionals and jurors who strive to make the imperfect system as fair as possible Her Honor is an entertaining and provocative look into the hearts and minds of judges Cordell takes you into her chambers where she haggles with prosecutors and defense attorneys and into the courtroom during jury selection and sentencing hearings She uses real cases to highlight how judges make difficult decisions all the while facing outside pressures from the media law enforcement lobbyists and the friends and families of the people involved Cordell s candid account of her years on the bench shines light on all areas of the legal system from juvenile delinquency and the shift from rehabilitation to punishment along with the racial biases therein to the thousands of plea bargains that allow our overburdened courts to stay afloat as long as innocent people are willing to plead guilty There are tales of marriages and divorces adoptions and contested wills some humorous others heartwarming still others deeply troubling Her Honor is for anyone who s had the good or bad fortune to stand before a judge or sit on a jury It is for true crime junkies and people who vote in judicial elections Most importantly this is a book for anyone who wants to
