True Devotion In Search Of Authentic Spirituality:

True Devotion Allan Chapple, 2014-12-01 This book is about how God's Word shapes and rules our devotion to him What is the best way of talking about this Spirituality is what many people call it but this is not the ideal word It can mean a great many things some of them very far removed from anything the Bible teaches Piety is another possibility but this is sometimes used in a rather negative way Preferable is Devotion When we speak of a couple being devoted to each other we mean that their relationship is strong loyal and loving which is how we should relate to God All three words are used in this book In each case it is talking about how we relate to God that is how we express and exercise personal relationship with him The aim is to examine what the Bible teaches about knowing God and living with him Why True Devotion For two reasons we must be truly devoted to God our relationship with him must be real and deep and we must be devoted to him truly our devotion must be grounded in and governed by the truth by the teaching of the Bible This book draws on both the Scriptures and the writings of Christians of the past Part 1 unpacks Gospel Spirituality as responsive paradoxical and relational Part 2 critiques The Mystical Way discussing experience of God and his voice prayer the inward journey and the testimony of mystics and reformers Part 3 looks for The Way Ahead focussing on meditation and concluding with a call to a Christ centred responsive spirituality ALLAN CHAPPLE is senior lecturer in New Testament at Trinity Theological College Perth WA He has pastored churches in Western Australia and England and was founding Director of the Perth Centre for Applied Christian Studies then founding Principal of Trinity Theological College

Beyond the Ordinary Ben Campbell Johnson, Andrew Dreitcer, 2001 Over the Past few decades mainline Protestant congregations have not easily embraced the notion of spirituality As much as any aspect of church life spirituality has been misunderstood misused and resisted by both clergy and

The Monastic Footprint in Post-Reformation Movements Kenneth C.
