**The China Dream** Jonathan A. Krane, 2022-05-03 WALL STREET JOURNAL BESTSELLER An American corporate executive's paean to 21st century China and a call for doing business there Kirkus Reviews Many people do not have a full understanding of China today yet it has created the greatest economic transformation in history Since the early 1990s hundreds of millions of people have moved to cities in China where they gain access to better schools health care and infrastructure as well as higher paying jobs China's GDP has grown from 300 per capita to more than 10 000 in the past 30 years and lifted more people into the middle class than in any other country at any other point in human history It is important for investors US companies and anyone interested in the global economy to understand China China is rapidly shifting from an export driven low cost manufacturer to a consumer driven economy and the wealth of China's 1.4 billion consumers continues to grow As the founder and CEO of KraneShares an asset management company focused on China and headquartered in New York author Jonathan A Krane provides an inside look at China's transformation into a global superpower and explains why the relationship between the US and China is the most critical economic relationship in the world today The China Dream is your guide to understanding China's unmatched economic growth and fully realizing its status as an essential element in any well designed investment portfolio global business and participation in the global economy

*Smart Rivals* Feng Zhu, Bonnie Yining Cao, 2024-08-20 A fresh research based look at how companies can better compete on their own terms with tech giants from a Harvard Business School professor and a former Bloomberg journalist Companies are fighting the wrong battle The consensus has been to learn the best practices from tech giants and then imitate them But new paths for growth aren't created by imitation they're forged by radical differentiation In *Smart Rivals* Harvard Business School professor Feng Zhu and former Bloomberg journalist Bonnie Yining Cao show business leaders how to create competitive advantages by offering product features and benefits that tech giants and other competitors cannot match in the digital AI age Taking readers on a global journey Zhu and Cao showcase a variety of companies including Domino's Nike and Sephora and fascinating case studies such as Belle the leading women's footwear retailer in China EbonyLife Nigeria's top media conglomerate and Telepass Italy's popular electronic toll payment service Through these diverse examples they illustrate how companies identify their path for growth in the digital age by leveraging their unique capabilities Drawing on original research and insights gleaned from leaders in a wide range of industries *Smart Rivals* is a blueprint for uncovering your company's hidden strengths It will help you spark innovative solutions and capabilities including new products services strategies and advantages that mere imitation could never provide

*The Oxford Handbook of Job Quality* Chris Warhurst, Chris Mathieu, Rachel E. Dwyer, 2022 Job quality matters it is offered as a solution to an array of social and economic challenges yet the terminology used to define it is varied This handbook explores the complexity of job quality for whom or for what job quality matters most and the diverse range of its contributions and

applications to social economic and political concerns      *The Myth of Chinese Capitalism* Dexter Roberts, 2020-03-10 The vivid provocative untold story of how restrictive policies are preventing China from becoming the world's largest economy Evan Osnos Dexter Roberts lived in Beijing for two decades working as a reporter on economics business and politics for Bloomberg Businessweek In *The Myth of Chinese Capitalism* Roberts explores the reality behind today's financially ascendant China and pulls the curtain back on how the Chinese manufacturing machine is actually powered He focuses on two places the village of Binghuacun in the province of Guizhou one of China's poorest regions that sends the highest proportion of its youth away to become migrants and Dongguan China's most infamous factory town located in Guangdong home to both the largest number of migrant workers and the country's biggest manufacturing base Within these two towns and the people that move between them Roberts focuses on the story of the Mo family former farmers turned migrant workers who are struggling to make a living in a fast changing country that relegates one half of its people to second class status via household registration land tenure policies and inequality in education and health care systems In *The Myth of Chinese Capitalism* Dexter Roberts brings to life the problems that China and its people face today as they attempt to overcome a divisive system that poses a serious challenge to the country's future development In so doing Roberts paints a boots on the ground cautionary picture of China for a world now held in its financial thrall Praise for *The Myth of Chinese Capitalism* A gimlet eyed look at an economic miracle that may not be so miraculous after all Kirkus Reviews A clearheaded and persuasive counter narrative to the notion that the Chinese economic model is set to take over the world Readers looking for an informed and nuanced perspective on modern China will find it here Publishers Weekly A sophisticated and readable take of China's triumphs and crises A first hand witness to China's transformation over the past quarter century Roberts credibly challenges the myth of China's inevitable rise and global dominance Ian Johnson Pulitzer Prize winning author and Beijing based correspondent A potent mix of personal stories and deft analysis *The Myth of Chinese Capitalism* takes a hard look at China's migrants and rural people Mei Fong Pulitzer Prize winning journalist and author of *One Child The Story of China's Most Radical Experiment*      *The Palgrave Geopolitical Atlas* Brian C. H. Fong, 2025-12-11 The Palgrave Geopolitical Atlas *State and Quasi State Actors in Great Power Competition* is a comprehensive authoritative survey of the twenty first century global politics Going beyond the traditional state centrism in the international relations discipline this book re orients both states and quasi states as critical geopolitical actors This book challenges the state centrism in orthodox international relations scholarship Advancing a post sovereign lens this book re imagines a global geopolitical map that features different types of states and quasi states By doing so this book transcends the mainstream great power small state framework in geopolitical studies and advances a novel agenda for investigating the interaction of states and quasi states in global politics It guides readers to interpret the twenty first century global geopolitical map through a post sovereign lens This book will be an essential reference for international relations scholars and students around the world It will also appeal to global policy

makers and practitioners who are observing the dynamics of contemporary great power competition      *The Business of Aspiration* Ana Andjelic, 2020-10-26 The Business of Aspiration is about how consumers shifting status symbols affect business and brand strategy These changing status symbols like taste aesthetic innovation curation or environmentalism create the modern aspirational economy In the traditional economy consumers signaled their status through collecting commodities Instagram followers airline miles and busy back to back schedules By contrast in the aspirational economy consumers increasingly convey status through collecting knowledge taste micro communities and influence This new capital changes the way businesses and entire markets operate and yet the modern aspirational economy is still an under explored area in business and culture The Business of Aspiration changes that In this book marketers will find examples analyses and tools on how brands can successfully grow in the modern aspirational economy The Business of Aspiration answers questions like what is good for my brand long term how is this business decision going to impact our culture or what are the main objectives of our growth Marketers will learn to shift their brand narrative and competitive strategy to create and distribute new brand symbols and to ensure that their brand s products and services create both monetary and social value
